email beth@myafterschoolprogram.com

REGISTRATION WILL OPEN ONLINE SAT, DEC 13 AT 9AM IN PARENT PORTAL ON www.myafterschoolprogram.com and remain open until WED, JAN 21 at 5PM

Course Name	Class Location	Days	Start Date	End Date	Times	Min GR	Max GR	Weeks	Fee	Course Description
Golf with OT Sports	Jackson Primary	Mondays	01/26/2026	04/27/2026	2:15 PM 3:30 PM	K	3	11	\$352	FORE!!! Overtime Sports Golf program is designed to instill important life skills and character building qualities that are essential for the development of each student. The program provides students with beginning, intermediate, and advanced level junior golfing instruction in a no-pressure environment. Students will learn golf history, etiquette, grip, stance, posture, putting, specialty shots, and a variety of other skills. Each student will have a precise understanding of how the game is played from tee to green. Students who demonstrate aptitude and interest for the sport can advance their golf skills to the competitive level, while others can participate in the sport for fun. Please wear PE type clothes. ALL EQUIPMENT IS PROVIDED. otsports@comcast.net
Robotics Junior with Steam Powered Kids	Jackson Primary	Mondays	01/26/2026	04/27/2026	2:15 PM 3:30 PM	1	2	11	\$407	Junior LEGO Robotics and More! Grades 1-2 - This is different from the fall. This Junior Lego Robotics course provides an exciting, hands-on introduction to the world of robotics. No prior experience with robotics is necessary. During each session, students will explore concepts of working with and programming robots using a number of different platforms, including LEGO, Sphero and more. Students will investigate topics including how robots use attachments to complete tasks and how to program a robot without using a computer! Returning students will encounter new challenges, allowing them to build on their previous robotics knowledge. Program-specific questions? Please email Coach Robert Hill at: steampoweredkids@gmail.com .

Robotics Senior with Steam Powered Kids	Jackson Primary	Mondays	01/26/2026	04/27/2026	2:15 PM 3:30 PM	3	5	11	\$407	Senior Robotics - Sumo Bots! This class is different from Fall. Grades 3-5. Senior Robotics serves as an extracurricular enrichment program that encourages the exploration and application of STEAM-based principles through building and programming robots. No previous experience with robotics is necessary. For the spring, we will explore the world of Battle Bots and compete in our own TRI ROBOT SUMO CUP! Teams of students will compete to out-program, out-design and out-build their peers in a friendly competition between schools at the end of the term. Using the LEGO MINDSTORM EV3 and RC battle bot platforms, students will learn programming and building skills that will translate nicely to the FLL competition we compete in each Fall. For those not necessarily interested in competing in the SUMO challenge, there will be options to build a host of helper bots as well as the robotic arena itself. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. In addition to building a robot for the competition, we will take time out of each session to explore other robotics platforms as we expand our robotic horizons. Some of the robots we will use include: Hexbug Nanos, Spheros, Lego Mindstorms and more. Program-specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com
Magical Clay with Vamos Chicos	Jackson Primary	Mondays	01/26/2026	04/27/2026	2:15 PM 3:45 PM	K	5	11	\$407	Modeling Clay In this class, students will craft magical art pieces using our famous "Masita," an air-dry modeling clay available in a limitless array of colors. Through step-by-step instructions, they'll learn a variety of modeling techniques to create fabulous figurines, mini worlds, and amazing collectables. Each semester comes with new projects. Questions about program content? info@vamoschicos.com
3D LEGO® Sculpture with Builder Bunch	Jackson Primary	Tuesdays	01/27/2026	04/28/2026	2:15 PM 3:45 PM	K	5	12	\$432	The Builder Bunch LEGO® for Winter-Spring 2026 you will learn how to build large 3D LEGO® sculptures like a pro. During the semester student will go from building basic 3D shapes to combining those shapes to build their favorite large-scale 3D video game, cartoon or movie characters. Soccer with OT Sports	Jackson Primary	Tuesdays	01/27/2026	04/28/2026	2:15 PM 3:30 PM	K	3	12	\$384	Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNdamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net
Drawing Elements with Spunky Arts	Jackson Primary	Tuesdays	01/27/2026	04/28/2026	2:15 PM 3:30 PM	K	2	12	\$408	New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Parents of students who have taken this class one or more times have reported not only remarkable improvements in handwriting and fine motor skills but also persistence, patience, and confidence in their student. New projects each semester. Lessons do not repeat. Please contact Christie with questions at SpunkyArts@gmail.com
Graphic Novel & Comics Creation with Spunky Arts	Jackson Primary	Tuesdays	01/27/2026	04/28/2026	2:15 PM 3:30 PM	2	5	11	\$420	Drawing! Creative Writing! Character Development! Sequential art and creating comics combines drawing, creative writing, and character development teaching skills beyond basic arts like sequencing, and creative and critical thinking. All while having fun, of course! Using prompts and activities, students will develop their own characters and story lines creating a book of their own comics by semester's end! Facilitated by Comic artists and teachers. Please contact Christie with any questions at SpunkyArts@gmail.com
Drama with Atlanta Children's Theatre	Jackson Primary	Wednesdays	01/28/2026	04/29/2026	2:15 PM 3:45 PM	1	5	12	\$372	Taught by professionals from Atlanta Children's Theatre (chosen as 2019 Atlanta Magazine's "Best Place for Kids to Act Out" in the December "Best of ATL" issue), young actors develop their acting skills through fun drama games, improvisations and plays. A fun and nurturing environment is created where children are always center stage and their creativity is celebrated! Class will culminate in a performance for family and friends. www.atlantachildrenstheatre.com

Yoga with Grounded Kids	Jackson Primary	Wednesdays	01/28/2026	04/29/2026	2:15 PM 3:30 PM	K	5	12	\$360	Grounded Kids Yoga ClubGrounded Kids Yoga Club helps children learn how to ground themselves when overwhelmed, recharge when low on energy, and stay focused when distracted. Through purpose-driven yoga poses, breathing techniques, games, and mindset practices, they build confidence, emotional awareness, and self-regulation. These skills often carry into the classroom, friendships, and everyday life. Students receive their own yoga mat and strap to bring each week, along with engaging Grounded Kids Yoga supplies to keep. To register or learn more, contact amy@groundedkids.com or call 678-362-9990. Visit groundedkids.com for program details.
Chess with Championship Chess	Jackson Primary	Wednesdays	01/28/2026	04/29/2026	2:15 PM 3:30 PM	1	5	12	\$420	Championship Chess is Georgia's premiere Chess teaching program. We have an established and consistent record of our students competing at the very highest levels both in the state and nationally. Our coaches are more than just great chess players, they are educators. Our proven methodology has been shown to be effective at more than just teaching kids the knowledge and skills they need to be successful chess players. They will also learn critical thinking and problem solving skills that will set them up to be successful in all areas of life. At the same time our program makes learning fun. When students enjoy what they are involved in, they progress quicker and most importantly they stay consistent. We look forward to being a part of your child's educational journey and having some fun along the way. www.championshipchess.net glennpeison@gmail.com
Kids TV JR	Jackson Primary	Wednesdays	01/28/2026	04/29/2026	2:15 PM 3:30 PM	1	2	12	\$372	Kids TV Jr.During Kids TV Jr., students in primary grades 1st - 2nd will learn the basics of camera and acting for the camera. Kids will practice camera foundations such as zoom, focus, wide shot, medium shot and close ups as well as practicing how to perform key emotions and control over voice, body and face in front of the camera. Then, the kids will work as a film team to recreate a popular kids fairy tale story. Program questions? Email Brandon at info@mobocproductions.com
Arts & Facts with Vamos Chicos	Jackson Primary	Thursdays	01/29/2026	04/30/2026	2:15 PM 3:45 PM	K	3	12	\$444	Arts & Facts Welcome to Arts & Facts, our vibrant bilingual arts program where creativity meets curiosity! Each week, children dive into hands-on 2D and 3D art projects inspired by nature, seasonal celebrations, world cultures, and their own interests. While sculpting with our signature masita (modeling clay), painting, building, and crafting with recycled and natural materials, students also explore fun facts, expand their vocabulary, and develop new art techniques. With brand-new projects each semester, your child will not only create beautiful, eco-friendly art—but also gain a deeper understanding of the world around them.Questions about this program? info@vamoschicos.com
