

Tentative* Fall 2025 Courses

COURSE	START DATE	END DATE	DAY	# WEEKS	TIME	LOW GR	MAX GR	FEE	DESCRIPTION
Golf with OT Sports	09/08/2025	12/01/2025	MON	10	2:15 PM 3:30 PM	K	3	\$290	FORE!!! Overtime Sports Golf program is designed to instill important life skills and character building qualities that are essential for the development of each student. The program provides students with beginning, intermediate, and advanced level junior golfing instruction in a no-pressure environment. Students will learn golf history, etiquette, grip, stance, posture, putting, specialty shots, and a variety of other skills. Each student will have a precise understanding of how the game is played from tee to green. Students who demonstrate aptitude and interest for the sport can advance their golf skills to the competitive level, while others can participate in the sport for fun. Please wear PE type clothes. ALL EQUIPMENT IS PROVIDED. otsports@comcast.net
Robotics Junior with Steam Powered Kids	09/08/2025	12/01/2025	MON	10	2:15 PM 3:30 PM	1	3	\$370	Junior LEGO Robotics and More! This course serves as an exciting hands-on introduction to the world of robots. No prior experience with robotics is necessary. During each session students will explore concepts of working with and programming robots using a number of different platforms including LEGO, Sphero and Ozobots. Students will investigate topics including how robots use attachments to complete tasks and how to program a robot without using a computer! Program specific questions? Please email Coach Robert Hill at: steampoweredkids@gmail.com.
Robotics Senior with Steam Powered Kids	09/08/2025	12/01/2025	MON	10	2:15 PM 4:00 PM	4	5	\$485	Senior Robotics and FIRST LEGO League Competition—UNEARTHED Robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 4-5. No previous experience with robotics is necessary. During the term Senior Robotics students will prep as a team to compete in the FLL Robotics competition in early December. Last year's theme—Submerged—had students exploring the layers of the ocean and bringing their learning and ideas to the surface as they “sea” into the future. In this year's theme—Unearthed—FIRST LEGO League teams will use creative thinking and LEGO® technology to uncover the past to discover the future. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. In addition to building a robot for the competition we will take time out of each session to explore other robotics platforms as we expand our robotic horizons. Some of the robots we will use include: Hexbug Nanos, Spheros, Lego Mindstorms and more. The class fee covers two team registration fees (with FIRST and with Georgia Tech), a team kit practice kit and a shirt for the FLL competition. Program specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com

Tentative* Fall 2025 Courses

COURSE	START DATE	END DATE	DAY	# WEEKS	TIME	LOW GR	MAX GR	FEE	DESCRIPTION
Drawing Elements with Spunky Arts	09/08/2025	12/01/2025	MON	10	2:15 PM 3:30 PM	1	3	\$340	New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Parents of students who have taken this class one or more times have reported not only remarkable improvements in handwriting and fine motor skills but also persistence, patience, and confidence in their student. New projects each semester. Lessons do not repeat. Please contact Christie with questions at SpunkyArts@gmail.com
NEW! Builder Bunch Lego Program	09/09/2025	12/02/2025	TUE	10	2:15 PM 3:45 PM	K	5	\$420	The Builder Bunch LEGO® Stop-Motion Movie Maker After School Enrichment Program will take your children through a journey in film making. During this program your child will learn to bring a story from idea, to short stop-motion film with characters, scenes, storylines and a well-constructed plot. For participation your child will earn a Movie Making Basics Badge! The best part is that at the end of the semester we bring the experience to life by hosting a screening of the movies created by each club at a local movie theatre. Contact - Michael Stone 9012105337 / mike@kosaicgroup.com
Soccer with OT Sports	09/09/2025	12/02/2025	TUE	10	2:15 PM 3:30 PM	K	3	\$290	Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNdamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net
Drawing Elements with Spunky Arts	09/09/2025	12/02/2025	TUE	10	2:15 PM 3:30 PM	K	2	\$340	New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Graphic Novel & Comics Creation with Spunky Arts	09/09/2025	12/02/2025	TUE	10	2:15 PM 3:30 PM	2	5	\$350	Drawing! Creative Writing! Character Development! Sequential art and creating comics combines drawing, creative writing, and character development teaching skills beyond basic arts like sequencing, and creative and critical thinking. All while having fun, of course! Using prompts and activities, students will develop their own characters and story lines creating a book of their own comics by semester's end! Facilitated by Comic artists and teachers. Please contact Christie with any questions at SpunkyArts@gmail.com
Drama with Atlanta Children's Theatre	09/10/2025	12/03/2025	WED	11	2:15 PM 3:45 PM	1	5	\$341	Taught by professionals from Atlanta Children's Theatre (chosen as 2019 Atlanta Magazine's "Best Place for Kids to Act Out" in the December "Best of ATL" issue), young actors develop their acting skills through fun drama games, improvisations and plays. A fun and nurturing environment is created where children are always center stage and their creativity is celebrated! Class will culminate in a performance for family and friends. www.atlantachildrenstheatre.com
Yoga with Grounded Kids	09/10/2025	11/19/2025	WED	10	2:15 PM 3:30 PM	K	5	\$330	Grounded Kids Yoga Club This class is for children who want to have a fun and impactful time understanding how to: • Ground when you feel unsettled. • Energize when feeling sluggish. • Focus when you are distracted. • Gain confidence and self assurance • Own your power and use it wisely. • Release stress and anxiety that builds up in the mind and body during these challenging times. Grounded Kids yoga allows children to learn about themselves in new ways so they can skillfully navigate the ups and downs of life. Our kid-friendly yoga poses, purpose-driven yoga games, mindset meditations and breathing techniques are so engaging that even after one class our students are motivated and able to practice at home. Children will receive their own yoga mat and strap to take home and bring to class each week. Cost includes other dynamic Grounded Kids yoga supplies for keeps. www.groundedkids.com For more specific program information: Contact amy@groundedkids.com 678-362-9990 .
NEW! Chess with Championship Chess	09/10/2025	12/03/2025	WED	11	2:15 PM 3:30 PM	1	5	\$385	Championship Chess is Georgia's premiere Chess teaching program. We have an established and consistent record of our students competing at the very highest levels both in the state and nationally. Our coaches are more than just great chess players, they are educators. Our proven methodology has been shown to be effective at more than just teaching kids the knowledge and skills they need to be successful chess players. They will also learn critical thinking and problem solving skills that will set them up to be successful in all areas of life. At the same time our program makes learning fun. When students enjoy what they are involved in, they progress quicker and most importantly they stay consistent. We look forward to being a part of your child's educational journey and having some fun along the way. www.championshipchess.net glennpeison@gmail.com

Tentative* Fall 2025 Courses

COURSE	START DATE	END DATE	DAY	# WEEKS	TIME	LOW GR	MAX GR	FEE	DESCRIPTION
Kids TV JR	09/10/2025	12/03/2025	WED	11	2:15 PM 3:30 PM	K	2	\$341	Kids TV Jr. DescriptionDuring Kids TV Jr., students in primary grades 1st - 2nd will learn the basics of camera and acting for the camera. Kids will practice camera foundations such as zoom, focus, wide shot, medium shot and close ups as well as practicing how to perform key emotions and control over voice, body and face in front of the camera. Then, the kids will work in groups to create 3 projects for the semester consisting of commercials, a talk show and 2-3 min silent movie. Program questions? email Brandon at info@mobocproductions.com
Arts & Facts with Vamos Chicos	09/11/2025	12/04/2025	THU	11	2:15 PM 3:45 PM	K	3	\$396	In our well-rounded bilingual arts program, projects are inspired by nature, seasonal celebrations, and the children's interests. Students will learn facts, new vocabulary, and various art techniques while creating amazing 2-D and 3-D art. By incorporating natural elements, recycled materials, and our famous 'masita' (modeling clay), students will be inspired to use their creativity in new and exciting ways. Each semester comes with new projects. Enroll now. Email:info@VamosChicos.com
Team Sports with All Star Athletics	09/11/2025	12/04/2025	THU	11	2:15 PM 3:30 PM	1	5	\$396	Team Sports with All Star Athletics: This class has it all! Kickball, Dodgeball, Capture the Flag, Flag Football, Tee-Ball and other Team Sports and games that are going the way of the dinosaur in traditional sports curriculums. Children 1st-5th will have an opportunity each week to compete in an encouraging low stakes environment where they learn to work together in order to accomplish victory! Coaches will divide teams based on age and ability to provide fun but competitive matchups where Children will be encouraged! We will provide all equipment needed for each sport, including balls, cones, jerseys etc. No Experience needed! Our goal is to have fun and instill what we hope will be a lifelong love of sports within each child! All Star Athletics - The Best in Kid's Sports! All Star Athletics provides FUNdamental growth through sports enrichment. Program questions? email icoachatlanta@gmail.com
STEM Velocity Lab	09/12/2025	12/05/2025	FRI	11	2:15 PM 3:30 PM	K	2	\$319	Crash! Pop! Eureka! Does your student enjoy science coming to life? Then this is the program for them! Each week we will explore something new and exciting in a wide range of age-appropriate STEM topics in the areas of engineering, physics, chemistry biology, astronomy and more. We will conduct experiments and activities to provide first hand experiences which help students become more confident in their understanding of the natural world. Visit www.STEMVelocity.com for additional information and if you have additional questions email stemvelocity@gmail.com .

NEW! STE(A)M CRAFT with STEM Velocity	09/12/2025	12/05/2025	FRI	11	2:15 PM 3:45 PM	3	5	\$352	STE(A)M Craft: This is not your ordinary STEM Program, because we are bringing creativity to STEM (not the other way around). During STE(A)M Craft, we will dive deep into our creative, curious, and experimental nature using quality STEM resources. Throughout the program, students will be given unique engineering challenges built around fascinating STEM topics such as chaos theory, compliant mechanisms, chain reactions, and more. With the goal is to not just learn STEM, but to create memorable 'a-ha' experiences that will preoccupy our scientific minds and inspire new ways of understanding the world. Visit www.STEMVelocity.com for additional information or stemvelocity@gmail.com
