

Ready For A Career That Makes A Real Difference?

Join the Native Youth Firefighter Training Program (NYFTP)!

Step out of the classroom and into the field. The NYFTP partners your high school with the US Wildland Fire Service to give you the exact same basic training used by professional federal firefighters.

Earn College Credit

Get a jumpstart on your college transcript through our dual enrollment partners.

Get Hands-On Experience

Learn real world fire suppression, safety, and teamwork during our action packed field days.

Build Your Resume

Earn recognized federal certifications that make you highly competitive for future jobs.

Serve Your Community

Learn how to protect our natural resources and native lands.

Use QR Code to Complete Interest Form

Open to 12th-grade students in Fall 2026.

Talk to your School Counselor or Principal for More Info
