

# THE PHOTO MANAGERS

## Family Timeline

Create a family reference sheet that will be helpful as you organize and date family photos. Print out one for each family unit.

- List children's names and birth years under "Family Members."
- Start the Year column with the oldest child's birth year and fill in the following years.
- Fill in the Ages columns, starting with 0 in each person's birth year.
- Use the Notes field to remember any important events.
