The Boise Events experience is one that is comprised of energy, creativity and love. Each of our events is unique and tailored with you and your style in mind. No two events are ever alike.

We are so pleased that you are considering us to assist you in one of the most important journeys of your life to date!

Our company came to fruition over 30 years ago when I graduated high school with a dream to own my own event company. Although for about 25 years it was considered a part-time hobby business that I ran from home, 9 years ago we decided it was time to bring our brand to the forefront of the industry.

We have done everything from small intimate parties to large affairs... loving every moment of it. We hope to help you enjoy the same happiness and stress-free event that we have helped countless others obtain.

Sincerely,

*Brandi

What our clients are saying about us!

Boise Events helped me with my wedding this past June. Brandi went above and beyond for us. Her eye for detail makes everything so unique.

We are still getting compliments on the best wedding our guests have ever been too. This was the wedding every girl dreams of, and we owe it all to Boise Events and Lavender & Sage!

I had the great fortune to find Brandi when my son and his fiancé started planning their wedding. Brandi kept us on track and calm through the whole process, her expertise and attention details is impeccable. Her suggestions and ideas made my son and his wife's day a huge success. The flower arrangements were more beautiful than we could ever have hoped for. You will not go wrong hiring Brandi; we never had a worry.

Jennifer

Brandi planned my wedding and made it like a dream come true. I had a vision of what I wanted, but didn't want to take on the small details or difficult planning pieces. (Like renting linens, flowers, , etc.) because they felt overwhelming. Brandi did a fantastic job of getting everything lined up and making sure I liked everything. She made my wedding better than I ever could have. She also did our flowers herself and they were beautiful. I am thankful for all the help and expertise.
