ABOUT CAPSTONE LEGAL

Capstone Legal is a law firm based in Jaipur having offices in Delhi and Gandhinagar. We have a document review team comprising of full time fee earner lawyers and support staff which helps companies and law firms based in India and overseas. Our document review team is adept in handling disclosure obligations in -

- commercial litigation including first pass review and privilege review;
- regulatory investigations, subject access requests under the GDPR; and
- internal investigations.

RECOGNITION

Established in 2012, Capstone Legal has a team of fifteen lawyers supported by a very efficient team of clerks to assist clients. We have handled more than two hundred cases related to commercial disputes in various courts in India including the High Courts and the Supreme Court in the past one year. Our document review team is an extension of our core litigation team to provide a one-stop solution to our clients.

- October, 2019: Vantage Asia, Hong Kong awarded Capstone Legal as one of the fastest growing law firms in India and named it as a "Rising Star" law firm.
- August, 2019: In a report titled "State of Legal Innovation in the Asia Pacific" by Singapore Academy of Law, Capstone Legal has been recognized for its services in the field of electronic disclosure of documents. January, 2019: Live Mint recognized Capstone Legal as one of the key players in electronic discovery in India.

DOCUMENT REVIEW TEAM

Salient features which differentiate us from other offshore document review service providers are -

- Lawyers are full time fee earners with the firm. We do not engage temporary/contract lawyers to carry out document review.
- Knowledge of common law principles and English language. All our lawyers are in active practice of law and we understand principles of evidence law.
- All lawyers are registered with Bar Council of India and governed by the Advocates Act, 1961. We follow a strict code of conduct which is enforced on our document review team as well.
- Lawyers are trained and experienced in the use of leading document review platforms. Document Review Team is supported by expert project managers, IT support including security controls and data protection measures.
