

# Assemble & Ready To Go

## In 3 Simple Steps

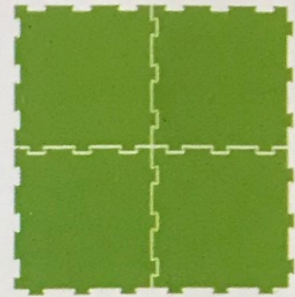

Mats 1 - 4

Edges A - H

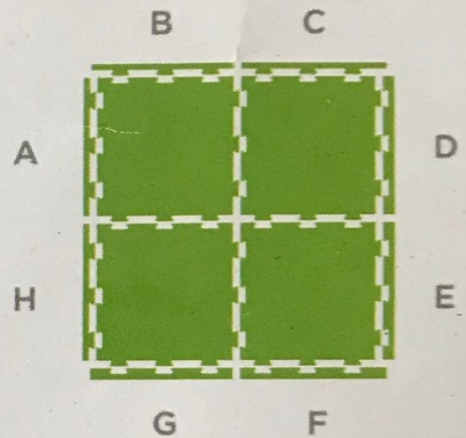

### Step 1

Connect the 4, 2 x 2 interlocking tiles with the male tabs facing down and to the right.

### Step 2

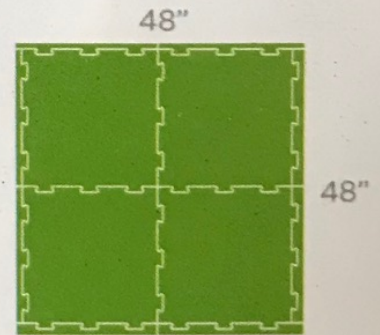

Line up the edge pieces, as shown. Starting with **edge A**, attach to the tile and continue adding in sequence until **edge H** is attached.

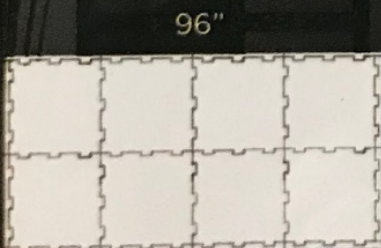

### Step 3

Snap all the puzzle edges together securely.
