Information for all leaves:

- You must apply on a yearly or semester-to-semester basis.
- After being on leave for more than two (2) years, you no longer maintain entitlement at your former school, but become a system responsibility, with the exception of a Reduction of Teaching Load.
- Leaves, except Reduction of Teaching Loads, are normally only permitted up to a maximum of three (3) years duration, requested on a yearly basis.
- Seniority is accrued while on leave. Teaching experience (credit on the grid for pay purposes) is not usually accrued while on leave.
- For most leaves you can buy credit in the Teachers' Pension Plan. Susan Johnson, at the Board Office, normally sends out information or you may call the OTPP for information.
- **Please send a copy of any leave letter/application form to John Vince at the District Office and Paula Medeiros at the Board Office.** You may also want to provide your Principal with a copy.
- If any leave is denied, please let the District Office know right away.
- You are strongly encouraged to maintain your Long Term Disability coverage during your leave.
