COMPANY NEWSLETTER

THANK YOU FOR YOUR BUSINESS

Earlier this year, A&B Orthodontic Lab celebrated our 20th Anniversary of being in business! When we first opened the lab in 2003, we wanted to create an orthodontic lab that was known for three things:

- Quality
- Reliability
- Service

Thanks to our customers, we've been able to deliver on these three things and establish a reputation for being the premier orthodontic lab in the Chicagoland area.

We hope this message finds you well! We would like to take this opportunity to personally thank you for your continued support of A&B Orthodontic Lab.

We are writing to let you know that our lab will be closed from Monday, July 3rd – Friday, July 14th this year. We will be taking this time to celebrate our daughter's wedding and are looking forward to spending this special time with family and friends.

Thank you,

Agim & Meli Saiipi
