

This explains why the people of the world are soon going to see sweeping constitutionally-based legal and law enforcement actions in all of the nations of the world against those who, unrepentantly abusing these ill-gotten gains, have perpetrated crimes against nature and humanity. This also explains the honest transitional governments and financial systems that are going to be installed as the callous, corrupt human systems of the past collapse. The new transparent governmental and financial models now being tested in the nation of Iceland, as well as the likewise poorly publicized/contextualized mass resignations of government, banking and corporate officials now occurring worldwide are heralds of these imminent planetary events.
