

Gate with pedestrian access (no climbing required)

Stile

Between garages

Gap in wall to track

Please note that for security reasons the main car park gate is locked at 9:30pm from March through to October and at 8:00pm from October through to March

If you expect to be here after these times, please ensure you move your car out of the car park to avoid it being locked in.

Pedestrian access to road can be made via the stile in the fence beyond the football club or via the large gate by the playground as indicated on the map.

Other exits that avoid climbing the gate include between the garages and out onto the track to the South.
