

MTC storage policy for the Clubhouse and adjacent shed

The shed will be used to store non-hazardous and low value items only. It will be inspected weekly.

The use of the storage areas in the Mens changing rooms will be restricted to the coaching staff. The lockers will be locked when not in use.

The use of the storage areas in the Ladies changing rooms will be restricted to management committee members. The lockers will be locked when not in use. A specific area will be identified for the storage of potentially toxic items e.g. Toilet and kitchen cleaning products. Similarly an area will be identified to store potentially dangerous tools and kitchen equipment.

The kitchen area storage will be used only to store items with a low risk of causing potential harm. No alcoholic products will be stored in the fridge.
