If homeowner is requesting the replacement of carpet flooring with any hard surface material such as hardwood flooring, homeowner must submit manufacturer's specifications or samples verifying that the flooring material is engineered to lessen sound transference between adjoining units. Homeowner will also be required to obtain permission and release of liability from adjoining neighbors.

I, the undersigned Owner, agree to indemnify and hold harmless the Association against any expenses incurred in connection with constructing, maintaining or repairing the above referenced improvements and I further agree that any expenses not so paid may be assessed again me. Additionally, I agree to assume the defense should any litigation or any other claims arise out of these proposed improvements.
