

Adding FileLinked and apps to your Firestick/tv

ACCESS THE SEARCH ICON ON THE FAR LEFT OF THE FIRESTICK/TV MENU

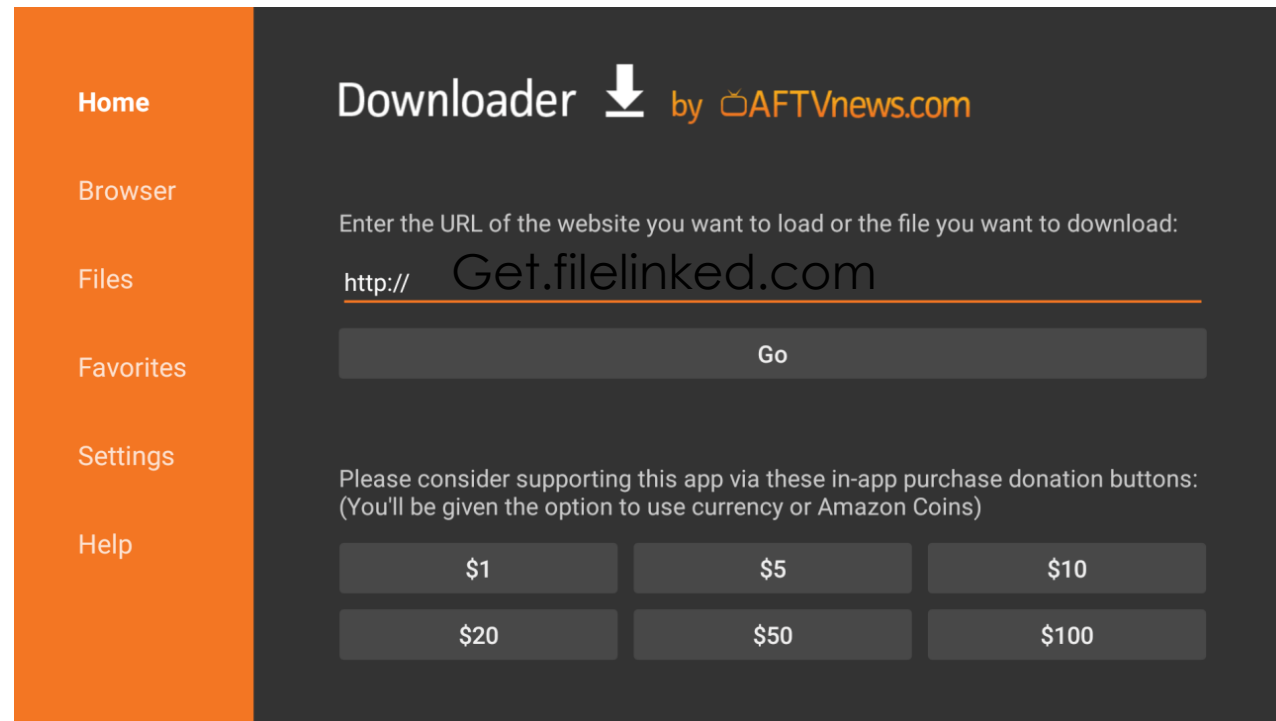

Enter Downloader into the search

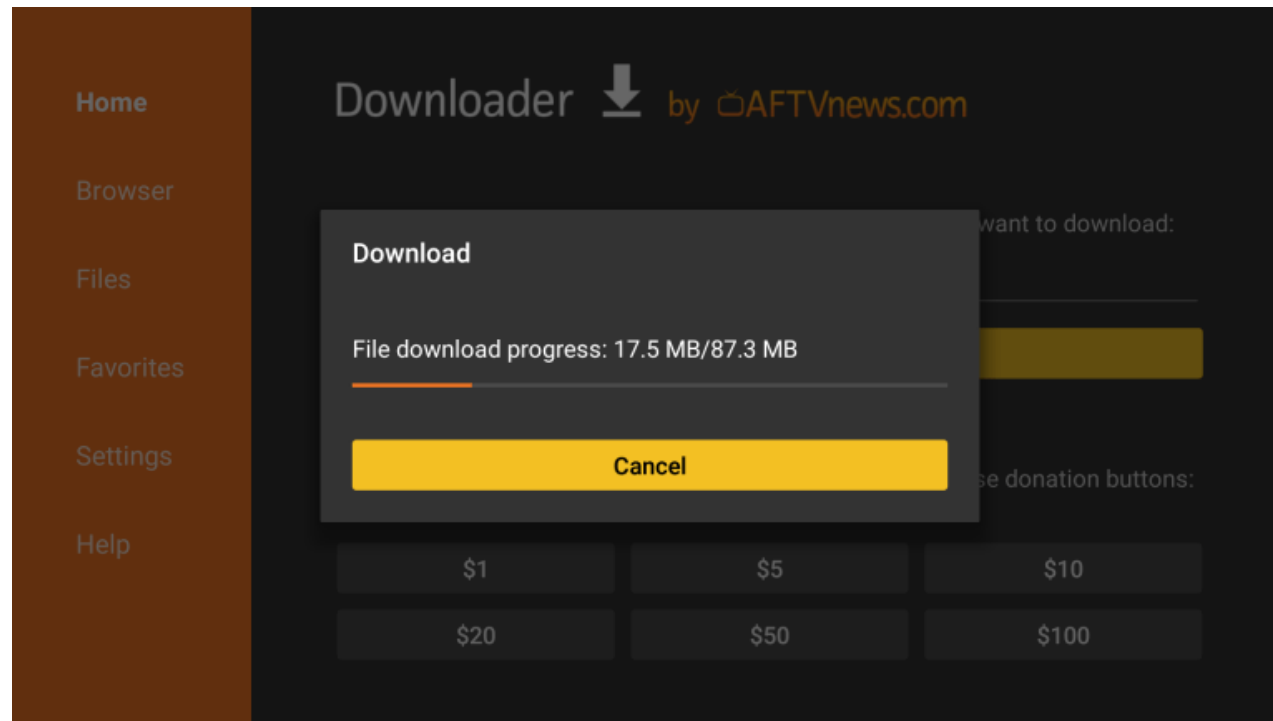

- ▶ You will see the following icon and will have the option to download the app or to open the app. After the install completes, open Downloader.

You will see the home screen once the app is open. Enter get.filelinked.com as shown and click go.

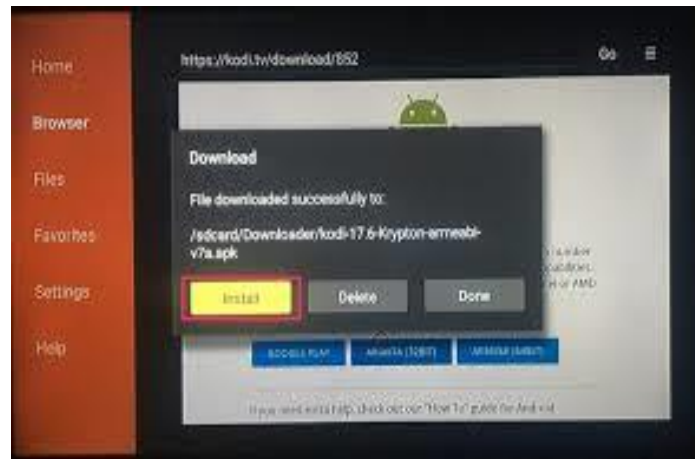

The FileLinked app will automatically begin downloading.

When FileLinked download is complete you will be prompted to install FileLinked.

► Click Install:

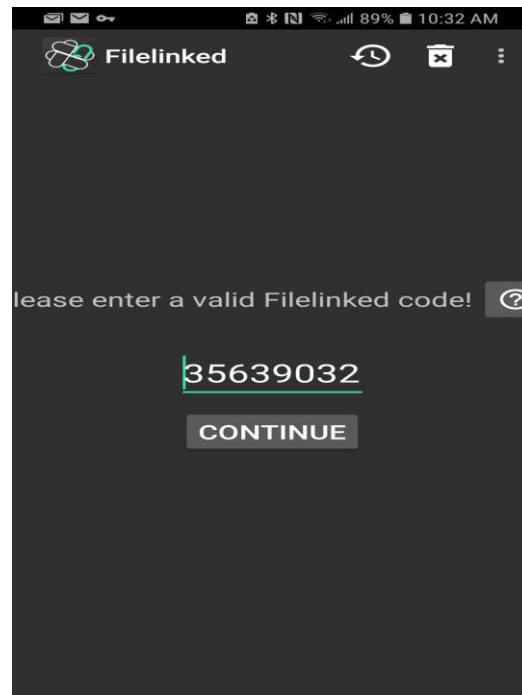

Enable unknown applications

IF UNKNOWN APPLICATIONS ARE NOT ENABLED, YOU WILL BE PROMPTED TO ALLOW.
IF YOU NEED HELP COMPLETING THIS TASK, FOLLOW THE PROVIDED LINK.

TV](https://www.youtube.com/watch?v=WUO0FHUS5UQ&ab_channel=GREGGLES_TV)

FileLinked has now been installed.

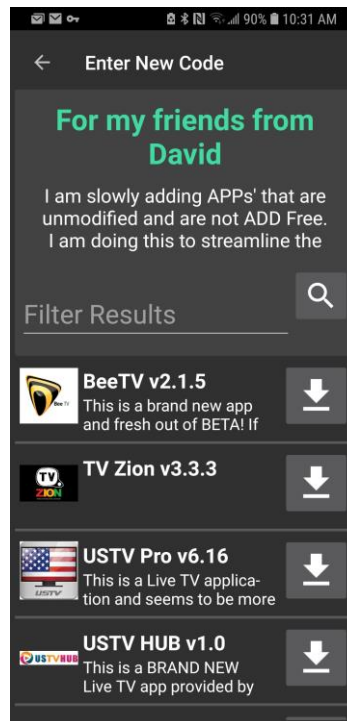

- ▶ Once FileLinked is installed and opened the app will look like this. You may be prompted to signup for newsletters, just hit dismiss.

Enter the CODE Provided by your administrator.

You are now in the FileLinked store.

Applications will be listed
in order of the latest
updates.

JUST BECAUSE AN APPLICATION HASN'T BEEN UPDATED RECENTLY, DOES NOT
MEAN THAT THE APPLICATION IS LESS RELEVANT. IT ONLY MEANS THAT THE
DEVELOPER HASN'T RELEASED AN UPDATE RECENTLY.

Congratulations! You have successfully
configured your FireTV/Stick!
