

BLUE RIDGE BERNESE

HILLSVILLE, VIRGINIA

I WANT TO EXPLAIN MY PROCESS OF GETTING A PUPPY FROM BRB AND ANSWER SOME FAQ.

We require a simple application to understand the family and lifestyle the puppy would be in.

We have a \$50.00 Waiting List that you can join at anytime. We do this personally not on the website.

When the puppies are born we take a \$500.00 holding deposit. At this time you will decide if your reserving a male or female puppy. Forms of payment are Venmo or mailed check for the deposit. We only take the deposit if we have a puppy available for you.

We Do Not welcome home visits anymore. This is for the safety of our puppies, kids, & breeding program as a whole. We understand some other programs allow home visits however it's something we are not comfortable with these days. We spend a lot of time and money to build our Bernese program. Our dogs, puppies, and kids safety come first. We encourage each family to find the right Breeder for their exceptions.

We do everything we can to keep you involved as the puppies grow. We send weekly pictures and videos as the puppies grow. You can watch all the changes they go through and we are always happy to answer questions about their development.

Puppy picks take place *after* their 6 week vet visit. We go in order of the waiting list.

We help explain what personality differences we are seeing. Based on your lifestyle we may recommend a certain puppy but it's your decision what puppy you take home. Most people have a feeling towards a puppy or two and we go from there. We can FaceTime if needed. It always seems to work out perfectly for each families lifestyle. Your puppy can come home at 8 weeks of age. We meet in a public place. We often drive 1-2 hours to meet you to help with travel. We let you to see your healthy puppy before making the final payment of \$2500.00. Final payment can be cash, venmo, or a cashiers check from your bank.

The total amount for our puppies is \$3050.00.
