

PARENT PACK

Staycation Bible School Armor Quest!

The amount of parental involvement needed for Staycation Bible School will vary depending on the age of your child. You may choose to offer only the daily video or only the daily sheet included in the ARMOR QUEST kit, but we hope you will use all of the resources provided for the best experience possible. Remember, SBS is provided for a wide range of ages, not every activity will suit every child. Our goal was to make SBS easy for adults, but don't forget to have fun your children! We will conclude our week with a celebration. More info to come!
