

# The Asbury Connection

Asbury United Methodist Church  
Making Disciples for the Transformation of the World  
by *Loving God, Growing Together, Reaching Out*

1 Chronicles 11:10 *Now these are the chiefs of David's mighty men, who gave him strong support in his kingdom, together with all Israel, to make him king, according to the word of the Lord concerning Israel.*

What are heroes? What was a hero then and what does it mean today? Hollywood would have us believe that in order to be a hero you have to be an alien from another planet, the result of a science experiment gone awry, a god, or a billionaire with designs on vengeance. In fact, many people that get elevated to hero status seem more concerned with revenge than anything else. There is a difference between seeking revenge and standing for what is right.

Now it is also true that people become heroes because of the way they respond to health scares, cancer, or life debilitating accidents. The courage they show in just getting out of bed is inspiring. What is the motivating factor for these heroes? There are still other stories of personal sacrifice, where people willingly give their lives for the lives of others. I have a pastor friend that had a church member who needed a kidney and he was a match so he gave one of his kidneys to the church member. Is that being a hero?

During the month of February, we are going to be looking at how God uses ordinary people to produce extraordinary results. In scripture, people display great feats of heroism by doing what is right in the site of the Lord. In fact, when we start looking into some of these people we find that they are much like regular people today; flawed and broken! Make plans now to join us for the heroes of faith series on Sunday in February.

Blessings, Jerry

Friends, we pray this finds you well! For several years, there has been a dream to develop an “Asbury Missions Trailer.” This trailer would be stocked with tools and lumber, and then taken on mission trips and other community outreach projects. The “Asbury Missions Trailer” would simply need to be towed to the job site, and the outreach teams would instantly have access to many of the tools needed to complete mission’s projects. This trailer would serve as an extension of Asbury United Methodist Church in a concerted effort to serve our community and to fulfill our mission of Love, Grow, Reach. We have been extremely blessed to have a trailer which was donated, and are currently in the process of refitting it in order to allow flexibility in a mission. We have acquired some tools, but are in need of many other items that would allow Asbury to reach out. In the coming months, we will accept monetary and gift cards for tools and supplies.

Whether in our surrounding community or in our very own congregation, the need is great and ever-present. Through this mission, we can follow the mandate given to us by Christ – to make disciples for the transformation of the world, we can show others the love of Christ, and we can teach people skills which will benefit them for years to come. In the coming months, we will be asking for prayers and support to make this mission a reality. If you have questions, please feel free to contact Jonathan Ervin at (423) 525-3031 or [Ervin@asburyumconline.com](mailto:Ervin@asburyumconline.com), or Rob Brown @ (423) 552-0593.

**Any donations of money or gift cards can be given to Jonathan or left in the office.**

# Congregational Care

## From the Restoration Depot Chairperson, John Cash

### 2018 Report for The Restoration Depot

This past year was again quite active for Restoration Depot. The purpose of our Mission is to restore hope to Greene County families in crisis by providing essential household goods and furniture free of charge. In 2018 we assisted 33 new families representing 118 family members. Out of those 33 families, 24 were referrals from the Dept. of Children Services (DCS), and 7 from Asbury and other church members. We didn't receive as many from Greeneville-Greene County Community Ministries' Food Bank, but several fire victims had already found assistance or we were not able to provide what was needed at that time. We are still assisting some families from 2017 that are still on a waiting list for certain items.

Contributions to our ministry this year totaled \$4,867.77, and out of those contributions, we purchased \$2,750 in mattresses and bed frames and \$230.70 in parts for large appliances that needed repairs. We just purchased another \$1,647 of mattresses and bed frames this month, which leaves us \$1,354 in our account. Bedding has been the number one priority, however, we found that dressers and chest of drawers were in high demand this past year with 15 families on our waiting list needing a total of 27 dressers.

This next year will also be a challenging one for Restoration Depot because we will be searching for a new location. The warehouse that we are currently in at 406 N. Irish St. will not be available to us after May, but we, along with several church members, are looking for a convenient space for us. Hopefully, we will know something more about that soon. We won't be able to take in large items like sofas and large appliances at this time, however, we are accepting chest of drawers because so many families need them and they will go right back out.

Our committee is so thankful for all the support, both in financial gifts and household donations from Asbury members. Restoration Depot has answered the prayers of so many families in Greene County, and we continue to be a unique mission that no one else is providing. As we plan our search and eventual relocation, we hope you will be able to assist us during this transition. We will keep everyone informed of our needs and how you can help us.

# Isaiah 117

Caring for children awaiting foster placement

### Coming to Greene County soon!

Asbury will have the opportunity to hear Ronda Paulson speak at our Wednesday night meal on February 27. Please plan to join us and learn first hand how this amazing ministry is changing lives of children in our region and what we can do to make Isaiah House-Greene County a reality! Read below for a little history and how Isaiah 117 House Please be in prayer for Isaiah 117 comes to Greene County.

In 2014, Ronda and her husband, Corey went through Path Training in order to become foster parents. As part of our training, we attended a class at the Washington County DCS office. During that class, we were informed that when children are removed from their homes they often have to come to the DCS office and wait for placement. As I looked around the cubicle filled space, I couldn't imagine a scared child sitting in such a sterile, cold environment waiting to learn their fate. That is when I believe God put on my heart the Isaiah 117 House. Fast-forward one year, on November 5, 2015, at 3:45pm, I received a call from the Carter County DCS office. Within an hour, Corey, Sophie, Mac and I were picking up our foster son. We were asked to come to the back door of the office. He was dirty, in clothes that were too small, and literally had nothing in the world. This was the second time I believe the Lord put on my heart the Isaiah 117 House. What if there was a home where children could go when they are removed? What if there was a safe place with friendly, loving volunteers? What if there was an environment with clean clothes, bath toys, healthy snacks, comfy beds and toys? What if instead of cubicles, the traumatized child could see smiles, books, and snuggly blankets? This is my dream for the Isaiah 117 House. Isaiah 1:17 says, "defend the cause of the fatherless." I believe that is what God is calling me to do. I see a place always ready to take in the children of this region in their time of need and help with what is inevitably a traumatic transition. I believe this home has the potential to positively affect the children who are coming into custody in ways far beyond what we could ever imagine as well as support the DCS staff of this region.
