Volume 8, Issue 5

*Galatians 6:9-10*

*So let us not grow weary in doing what is right, for we will reap at harvest time, if we do not give up. 10 So then, whenever we have an opportunity, let us work for the good of all, and especially for those of the family of faith.*

While Paul never “wearies” of telling people they cannot win salvation with their works he also never “wearies” of encouraging them to do all the good they can. Sometimes this balance is a struggle. For instance in dealing with the churches in Galatia, the overall church was experiencing a division between Jewish and non-Jewish believers. In Galatia, which was primarily a gentile area and the believers there were predominantly non-Jewish. However, some Jewish believers had shown up and were demanding that the non-Jewish believers be circumcised, undermining the ministry that Paul had begun.

As a Jew, apostle and missionary for the way of Jesus, Paul was in a very unique position to address the issue of circumcision of believers. The culmination of this debate is recorded in Acts 15. But through this process the local churches struggled and there was a lot of conflict between Jewish and Gentile believers. I don’t think this issue, of circumcision and the role in the church, can be overstated. It hurt believers, damaged relationships, and the role of the church in the community suffered.

Anytime a member of the body of Christ feels compelled to pull away it hurts. C.S. Lewis likened this process to amputation or the removal of a vital organ, not only does it hurt but the body will never be the same again. Many are aware of the ongoing conflict within the United Methodist Church over the issue of sexuality. The most recent postponement of the General conference to 2024 has been met with anger, hurt and frustration. In March there was a call for the beginning of the Global Methodist Church on May 1st. There was a plan sent by the Council of Bishops to the Judicial Council for judgment. This plan was approved and many of our sisters and brothers are beginning the process.

The leadership of Asbury United Methodist Church is committed to allowing the process for such changes to the book of discipline to play out. To date the statements in the book of discipline regarding human sexuality remain unchanged. We have not changed our doctrine or our acceptance of these issues. We continue to look for ways to be in ministry with all of God’s children and share in the mission of the church to make disciples of Jesus Christ for the transformation of the world.

On Wednesday May 4, 2022 at 6 pm I will be in the fellowship hall to discuss with anyone the plan from the Council of Bishops. We here at Asbury continue to lift up our sisters and brothers around the globe in prayer during these difficult times. Please feel free to contact me with any questions.

Blessings and Peace,  
Jerry

### UMW- President Sally Andrew

Welcome Spring,

The Asbury UMW had our April meeting on the 21st, with David Andrew from the Greeneville-Greene County Firewood Ministry as our guest speaker. David explained how the wood ministry operated and gave us recent statistics for the number of homes and families that were assisted and the number of wood loads delivered this past year. We collected \$153 as a love offering for the wood ministry.

Binnie Brooks decorated the tables in a spring theme. She has graciously agreed to serve as our decorating chairman for all monthly meetings. Many thanks to Binnie. Also, Doris Allen has agreed to serve as our "Sunshine Lady." Since birthday and anniversary cards are being sent by the church, we decided that we would only send get well or other occasion cards from our UMW. If you know of one of our ladies who is ill or who might need a special occasion card, please contact Doris. We will try to have each member sign these cards during our regular meetings. Thank you Doris!

New calling committee list and benevolence team lists were distributed. These lists were prepared by Mrs. Judy and will be updated for our new year beginning in September. It was agreed to continue with bringing bag lunches rather than covered dish meals for our meetings.

Senior Sunday is May 22nd, there has been no interest shown by our seniors, in participating in a senior banquet this year. Instead we are going to purchase some special items for each senior to place in a "goody Bag" provided by our church.

Our next meeting will be Thursday, May 19th, in the fellowship hall at 11:30. There will be an officers meeting at 10:30 in the library. I encourage everyone to be present as this will be our last meeting until September. We will not be meeting during the summer months. For our mission in May we will be going to collect items for the Mountain View District Hands of Food Buckets for Liberia. A complete list of needed items is posted in the newsletter.

Blessings  
Sally Andrew  
Asbury UMW President

Choir News from Cynthia Sams, Director

Asbury has been blessed with a very generous donation to establish a Music Scholarship for the Chancel Choir. The goal for this Scholarship is for members of the Congregation to contribute matching funds to enable this Ministry to be ongoing.

The Scholarship will be available for High School and College age students. Soprano, Alto, Tenor, and Bass Voices are all needed. This will be a tremendous addition for the Music Ministry at Asbury. We also feel it will be a great opportunity for students.

A contract will be provided for all interested students with a pay scale. We are asking for your prayers and support for this project.

Blessings, Cynthia Sams

## 2022 Confirmands

Maria Adon is the daughter of Sherry Gaskins and Marcelo Adon. Her favorite school subject is math at Greeneville High School where she is a sophomore. Maria is the younger sister to a brother and sister. Her favorite color is pink while her favorite food is pasta. If you asked Maria where she would want to be, you would get one of three answers; home, church, or the beach. When asked what her favorite Bible verse was she gave us Matthew 11:28 which also helps you to know a little bit about who Maria is. Knowing that her favorite Bible characters are Joseph and Ruth also lend you a view to who Maria is. Something everyone should know about Maria is she's outspoken even though she appears to be quiet.

Braxton Dabbs is the son of Kelly and Todd Dabbs. He is a sophomore at Greeneville High School where he loves science and enjoys volunteering in various ways in school and throughout his community. A couple fun facts about Braxton: his favorite color is beige, he loves any and every pasta, and has 3 brothers who he looks up to. He enjoys being at home, but also enjoys California and Atlanta, GA. Braxton's favorite verse in the Bible is Philippians 4:6. His favorite Bible characters are Moses and David. (You can ask him why he chose these two men to save space.) Something Braxton wants everyone to know is he likes making people laugh.

# EASTER CELEBRATION 2022

**Natasha DeBord**  
 Director of Student Ministries

During the month of April, we spent time learning how Jesus was a Trailblazer. Jesus broke new trails for us just by existing! Lesson one we focused on Judas and Peter betraying Jesus and how Jesus didn't give up on them and will never give up on us. Lesson two invited us to understand what Jesus went through as he was mocked, whipped, beaten, tortured, and crucified showing us Jesus understands our pain. Lesson three Jesus was hanging on the cross choosing to extend love and grace to the man crucified beside him. Jesus shows us what unconditional love is and how he keeps to his promises of nothing separating us from his love. Lesson four focused on Jesus being alive! Lesson five focused on trusting Jesus. Thomas doubted Jesus was alive and asked to touch Jesus's wounds so he would know it was, in fact, Jesus before him. And the final lesson we learned Jesus has given us all a mission; to follow the trails Jesus has broken for us and to help break trails for others to help them meet Jesus too.

There was also a lot of fun that went on in April! We celebrated with Easter themed games and Easter Baskets. Losers got a bag of black jellybeans of which they did not receive well. (I personally love them, so I didn't see the problem!) We will finish off April with a service project helping get Camp Bays Mountain ready for the camp season. Look for photos and a recap of that adventure on our Facebook, website (youth's page), and in the next newsletter.

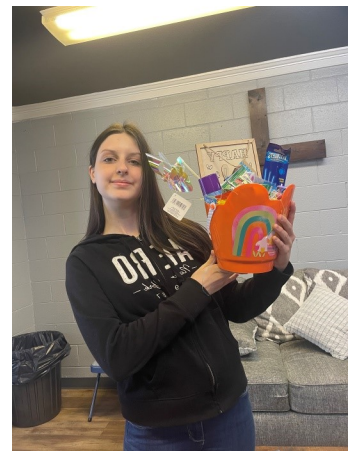

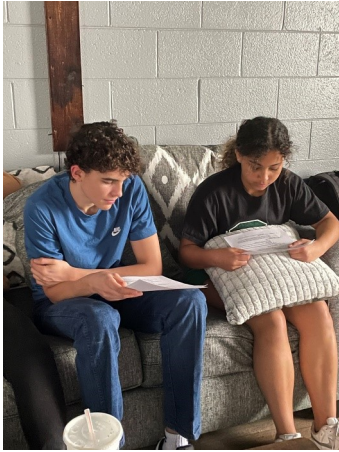

We are always looking for people to help support our youth group. This support can come in many forms! The most important need for our group right now is Youth Counselors (volunteers). Without Youth Counselors willing to spend some time with us, we are unable to take mission trips, fun outings, or outings in general. If you do not feel called to work directly with the youth as a counselor, that's ok! You can also support us with your prayers (for special events, daily activities, or if you want to pray for our youth by name, I can get you a list), through monetary donations (donations help cut costs of trips such as Resurrection, Fall Retreat, mission work, etc. for our students, they do also fundraise to help offset costs), and by feeding the group (we have snacks on Wednesdays and a meal on Sundays before our lesson). If you believe you can help in another way, please reach out to me! I would love to talk about your ideas.
