Dear Friend,

You need not feel hopeless and isolated when you hear the words “you have cancer.” Gumby’s Club Fore a Cure is a **Manitowoc County Local group** of committed individuals, whose purpose is to raise funds to support some of the unanticipated expenses of those **in our community** who are struggling with a cancer diagnosis. We are now in the process of planning our annual fundraising events.

Cancer’s journey, with all its crossroads, becomes a bit easier to endure with the hope and financial assistance of Gumby’s Club Fore a Cure. Our efforts help to decrease the frightening effects of diagnosis, treatment, residual effects, anxieties, and expenses incurred with a Cancer diagnosis.

What began in 2011 as a little golf outing fundraiser, organized by Rob “Gumby” Roseff (who had just been diagnosed with kidney cancer), has grown into annual events that include: Gumby’s Weekend, Gala, Scavenger Hunt, Bike Ride, Facebook Live Telethon, and other incredible happy events that celebrate life! All funds raised benefit **local** families who have been affected by cancer, by providing them with financial donations to help curb medical costs, traveling expenses, and other items that become difficult to manage.

**Since Gumby’s Club was formed, we have donated more than \$1,150,000 to approximately 862 families in our local area. In 2024, 132 families benefited from your generous donations. The need now is greater than ever!**

We receive many heartfelt letters of gratitude from our recipients for the support that we have given to them. Many of our committee members are family members of previous recipients, or cancer survivors themselves.

Cancer touches all of us. In Rob’s words, “WE GET IT.” We all know someone who has been affected by it, and know the feeling of helplessness that comes along with it. If you’re wondering “How can I help?” You can be an important part of this effort! Please consider partnering with us as a sponsor of our Gumby’s Club events this year as we celebrate life with local cancer survivors, their families, and the community who cares about them. Thank you for your consideration!
