

# CartoFront

Simplifying Flood Insurance

💧 CartoFront is the leading MLS resource for FREE flood insurance information and quotes

💧 CartoFront offers both FEMA and National General flood insurance, both A- rated carriers

💧 **CCIMLS members can now access CartoFront from any MLS listing:**

Click the Raindrop in any MLS listing to request a flood quote. Just fill out the short form on behalf of the intended insured (your home buyer or seller) and let us know when they are looking to potentially start coverage.

This allows us to prioritize follow up and to provide you and your client the best service.

Take advantage of our FREE service and advise your clients on:

- Flood Zone Determination
- Access to FEMA and Private Flood Insurance Quotes
- Service from a licensed insurance agent

**You can also enter an address to request quotes:**

**FREE QUOTES FOR ANY SINGLE FAMILY PROPERTY**

Just scan the QR code or visit [quotes.cartofront.com](https://quotes.cartofront.com) and enter a property address

Great for getting quotes for your own home, or any potential listing that you are taking.

**AVAILABLE IN**

- Flood is one of the top causes of home value & personal wealth loss
- Flood is NOT covered in Homeowners Insurance
- FEMA Risk Rating 2.0 is now fully implemented and all pricing has changed
- Receiving a FREE CartoFront Quote mitigates Realtor E&O risk

CartoFront takes data and privacy extremely seriously. On our platform, we have our privacy policy easily accessible and in simple language, both in English and Spanish.
