

Vendor Application

Thank you for inquiring to join our store. We are excited to have you be a potential vendor. This is the first initial process. Upon approval, a contract will be sent over.

We will be charging a fee for your space as well as a 15% commission. The fee will vary from vendor to vendor, depending on multiple factors. I.e. space size, electricity needs, location. The 15% commission is based upon the fees to cover credit card transactions, paper goods, marketing, Consignor Access Login and any other operating expense.
