Chills vs Fullness of Life

*“Keys,...wallet...kids...bag...we’re off!
GO, GO, GO!”*

Sound familiar for an early morning *rush-out-the-door-drop-the-kids-fight-traffic-to-get-to-work-5-minutes-late* kinda morning? Welcome to the hustling days of life that most of us know too well.

We’re so busy going about our days, activities that we have punched into our Blackberry (yes, they were a great thing) schedules we can miss so much in our daily progress unless they are literally in our faces...or freezing our faces!

Have you noticed it’s cold lately? Not just cold...cold I don’t want to go outside cold...even for Canadians! Are you wanting?

It's no secret, most people are done with the mounds of snow, the layers of clothes and well ... just being cold. It's nice though when we can warm up, running from the house to the car to work, it's something we take for granted.

Yes, the winds of winter are cold and we do try to avoid them as much as possible. They don't ask your name, they don't stop and pause to consider your age, history, social status or what hardship or what joys in life you have. No, winter winds and cold simply cut. For most of us we whine and complain and are fortunate to be able to have a place to warm up with a heavier jacket, complain about icy roads, higher heating bills.

For many it's through coats too thin, shoes worn down to the sole, skin already aching from nights without shelter, the harshness of the cold and wind exposes and bites the weakest of us. It strips away comfort and it reminds us how fragile the human body truly is.

For the homeless, the biting chill of winter is a threat and steals the fullness of joy in life.

Throughout cities large and small Canada, USA and elsewhere homelessness is a big problem and becoming worse...a crisis truly! 85,000 people last year that they know of was homeless- exposed to the chills of frostbite gnawing at fingers and toes like a slow fire of pain. Windburn cracked skin until it bleeds. Hypothermia settles in quietly and at any time and with long term exposure it seems normal – first with shivering, then confusion, then sleep that can become death.

Chilled, cold, hungry, homeless. That empty stomach causes the body to be compromised, immune system function drops, the body can't fight the cold...the battle that rages on hour by hour seems like eternity.

Oh, for a warm meal! But how?

What would a warm meal do? MUCH!

I'm sure you've all been outside (recently) and those frozen hands and faces from shoveling snow. You came in, rushed to the sink for warm water to run over your aching hands, you made a hot cup of soup or tea...boy that felt

good didn't it? You found reprieve and joy in that simple act of a hot drink and warm hands. Think about what that would do for a brother or sister on hard times! The Lord speaks about helping our brothers and sisters in need:

“Then the King will say to those on His right, ‘Come, you who are blessed of My Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry, and you gave Me something to eat; I was thirsty, and you gave Me something to drink; I was a stranger, and you invited Me in; naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me.’ Then the righteous will answer Him, ‘Lord, when did we see You hungry, and feed You, or thirsty, and give You something to drink? And when did we see You a stranger, and invite You in, or naked, and clothe You? When did we see You sick, or in prison, and me to You?’ The King will answer and say to them, ‘Truly I say to you, to the extent

that you did it to one of these brothers of Mine, even the least of them, you did it to Me.”

Matthew 25:35-40

Society looks down on the homeless as the least of us. We know there are so many reasons for homelessness, unemployment, financial, illnesses, addictions of many kinds, mental diseases all group together to create a chronic state for our brothers and sisters. We as Christian's are called to uphold those who are in need, in need of food, care, love, to share the gospel and the salvation that is

ONLY in our Lord Jesus Christ. Many of us in comparison have enjoyed the fullness of the Lord in varying degrees in our lives and do today. How many hot drinks have you had? How many kind words were spoken to you? How was the hot lunch and the cozy couch? All are blessings from the Lord. Just curious, how many homeless did you see today? How many asking for help, sleeping on the bench, shivering ...invisible?

As we are blessed so too we must bless others as in how the the book of Hebrews expresses it: *“And do not neglect doing good and sharing, for with such sacrifices God is pleased.”*

Hebrews 13:16

Caring and loving for the people of God is one

of the most rewarding and truly joyous things to do in our lives. It's impossible for us to help everyone and you need to use discernment on the situation for not all are who they seem. Whether in Barrie, Uganda, Kenya, India, Florida brothers and sisters are in need. This is why the Lord has the Shepherd's table/harvest, to provide for His people ! *Let's partner and labour with our Lord and see first hand the fullness of joy only He brings in peoples lives.* That is once we get past the rush out the door...to school..to work...oh but don't forget the coffee please!

See you Sunday at 10:30

Youth Walk

Hi everyone, Jacob and Laura here :)

We've had a great time going through the Alpha Series with you these past few months. It has been a joy to journey through this course, asking some of life's big questions and getting the opportunity to pray for each other. Most importantly, Laura and I have seen each of you grow in your faith as we learn more about God and our Lord Jesus. We hope you have been encouraged to persevere through life's challenges; know that you are never alone! You may be asking, "what's next? I thought we were done meeting?" As the final Alpha video said, this is just the beginning.

As Christians, we walk a lifelong journey of learning about God and growing in our faith in Him. The best place to learn about God is in His word, the Bible. God has blessed us with this amazing account of what He has done since the beginning of time. We read about how God made all of creation and how He designed mankind to be. We learn how God instructs His people to live, and the blessings and the consequences that come from the ways we choose to live. Most importantly, we learn about God's heart for us. We read of His plan to save us from our sins through our Lord Jesus, so that we can spend the rest of eternity with Him. The Bible is

more than just a book, it is God's manual for life. As we read in Psalm 119:105 "Your word is a lamp to my feet and a light to my path."

In 2026, our society has many differing opinions. Lots of people base their ideas about life and God on their own experiences and feelings. We are even encouraged to find our own 'truth'. But this type of 'truth' leads people the wrong way in life and further away from God. We want to encourage you, try setting some time aside to read God's word and ask God to help you learn and understand. You'll be amazed at what God says in His word. If you have any questions, bring them with you to Friday youth group. In our next series called 'Life Revealed', we will begin to read and understand the gospel of Luke. Look on the next page to see more details. We hope you all have a blessed week and we will see you on Friday.

THE ^{IN} LIFE

Hello everyone! I have continued to speak with a brother from Kenya, who is struggling immensely. He is struggling to afford food, he has been in and out of the hospital, and his children have not been able to go to school because of his lack of funds. We have prayed together, and he continues to cry out to the Lord. Please pray for our brother and his family. Lord, I just lift our brother up to you, that you would strengthen him and his family. Provide all that he needs according to Your will Lord. We trust in your word, and know that you provide for your people!

Hello everyone! I hope your week is going well. In the region of Pakistan there are many children who are orphans, in slavery in the brick kilns, on the streets, etc. A larger number of the children in this region have suffered and are suffering much, with roughly 4.6 million orphaned and facing poverty and 70% of the labourers in the kilns being children. This is a pressing need in this area and many of the sisters have consistently been reaching out for the Word of God to be brought to them. Please continue to pray for the children, that the Lord would continue to sustain them, strengthen them and give them hope, and bring them His Word whereby they be encouraged and drawn closer to Him. In Jesus' Name.

Scripture Memory Verse

“For I was hungry, and you gave Me something to eat; I was thirsty, and you gave Me something to drink; I was a stranger, and you invited Me in; naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me.”

Matthew 25:35-36

Are you ready to accept our Lord Jesus Christ as your personal Saviour and be obedient unto His command of Baptism? Please speak with us.

Matthew
25:35-36

“FOR I WAS HUNGRY, AND YOU GAVE ME SOMETHING TO EAT; I WAS THIRSTY, AND YOU GAVE ME SOMETHING TO DRINK; I WAS A STRANGER, AND YOU INVITED ME IN; NAKED, AND YOU CLOTHED ME; I WAS SICK, AND YOU VISITED ME; I WAS IN PRISON, AND YOU CAME TO ME.”“
