Philippians 2:9

LIGHT IN THE STORM

I work from home and I can't tell you how tough the commute is sometimes from my bedroom to the kitchen and then to my couch. Seriously though I thank God that I don't have to get up and wrestle with rush hour anymore, driving into the city and spending sometimes three or more hours in traffic each day. I don't miss that at all.

If there is one thing I do miss, it is the beauty of downtown Oakville in the summertime. My old office building would back onto the lake. At lunchtime I could walk down right down to the water and

enjoy the scenery. What's more is there was a concrete path to a lighthouse that jutted out several hundred feet past the shoreline. I could walk out to the railing, surrounded by the crashing waves and the wind blowing in what little hair I still had back then. I could stare out into Lake Ontario, the whole time protected from those same crashing waves and blowing winds. I knew to remain on the solid platform, surrounded by the railing and safety of that lighthouse.

Now Oakville's lighthouse is retired and no longer active, but the role of a lighthouse still exists. GPS and radar are primary navigation tools these days for modern ships, but lighthouses still serve as reliable backups that can confirm readings from modern instruments. They can pinpoint a ship's exact position serving as a coastal landmark, and help boats avoid underwater hazards like shoals, sandbanks and schools of creatures. In today's day and age of modern technology and digital tracking, lighthouses still serve a purpose.

Today that modern age and technology doesn't stop at the water; it enters a whole new dimension with phones, computers and devices that make outdoor compasses seem almost obsolete. The waves and the wind are not exclusive to the water either; navigating life comes with its own obstacles and challenges, and yes we all can feel alone in a dark sea with no sense of direction. With all our gadgets, how many people still don't have a clear direction or even a glimpse of where they are headed? It's as if electronics are not a guide as much as a distraction, keeping us from focusing on where we are going in life, and who is taking us there.

As disciples of our Lord and Saviour Jesus Christ we know that nothing is impossible with God as our skipper. The Cross is our lighthouse, and we pray for the strength to keep our eyes on He who saves, Jesus Christ. We read of an instance with Jesus and Simon Peter in the Gospel

of Matthew chapter 14,

*“25 And in the [p]fourth watch of the night He came to them, walking on the sea. 26 When the disciples saw Him walking on the sea, they were terrified, and said, “It is a ghost!” And they cried out [g]in fear. 27 But immediately Jesus spoke to them, saying, “Take courage, it is I; do not be afraid.” 28 Peter said to Him, “Lord, if it is You, command me to come to You on the water.” 29 And He said, “Come!” And Peter got out of the boat, and walked on the water and came toward Jesus. 30 But seeing the wind, he became frightened, and beginning to sink, he cried out, “Lord, save me!” 31 Immediately Jesus stretched out His hand and took hold of him, and *said to him, “You of little faith, why did you doubt?” 32 When they got into the boat, the wind stopped. “*

“You of little faith, why did you doubt?”

We can see our Lord's question can play out in our own lives. We brothers and sisters in Christ seek Him, His sovereignty and all He

has for us that we could never do ourselves, but only in the power of God. That could be a new job, a new house, an engagement, or planning a celebration. Everyone has new and different challenges they are navigating depending on their own season. We see the lighthouse, we turn toward the lighthouse, we move in faith of our Lord Jesus Christ, that beacon of light that is calling us to safety in Him who can! JESUS our ROCK!

And then something or someone brings our attention to those waves we have to cut through to get to shore, or to those contrary winds that are not helping our path but fighting the direction of our sail to safety. Our instruments and devices didn't point out the trouble; in fact they kept us in the minutia and distracted us from seeing the hazards between us and being saved. These distractions are right in front of us if we would just look; distractions between us and our salvation.

The father of lies, the prince of the power of

the air will stop at nothing with the waves and winds and instruments of this world to keep your eyes off the light that is Jesus Christ. The adversary wants you to divert your eyes even a fraction, just enough for you to see all the trouble and start to sink; just enough to question God's power to uphold you and strengthen you to do all things in HIM, including walking on water!

Thank God for His grace, His mercy, His blessings and love for us to remain right there, never leaving us nor forsaking us. His hand is always ready to pick us up, to guide us back to the vessel, ship, or ark He is keeping you safe in today. He will calm those waves, those winds, all things if you remain close to Him and with Him on His steady platform...the ROCK that is JESUS CHRIST! In life's storms we have to come to the Cross, THE one true lighthouse that saves. We have to honestly and with a humble and contrite heart, draw near to our Lord Jesus as it says in *James 4" 8 Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded."*

The light, safety and rest that is in Jesus Christ is available to all of us who seek it and put Him first. So the only question is, who are you trusting to guide your way?

See you Sunday @10:30

YOUTH WALK

Hi everyone, happy start of summer!!!

When I started cooking meals in high school, I was gifted this very nice kitchen knife.

And let me tell you, I was extremely grateful for it. Before, I was cutting vegetables and meat with cheaply made, generic knives that honestly could have been used for anything. I would have to hack at my food and it was dangerous. The knife would slip and easily catch my finger, which unfortunately happened multiple times. This new knife was nothing like the other ones. It was forged into a specific shape after the steel was intensely heated and hammered out. And before every use, the knife would be sharpened and cleaned so it was the sharpest it could possibly be. This was my special knife and I would never dare use it for anything apart from chopping food to prepare my meals. This knife was set apart for a specific purpose.

For us today, there are lots of things that want to capture our attention and our hearts, convincing us of what is most important in life. None of these things can be our top priority or take position #1. But rather, as we read in 2 Timothy 2:21

“therefore, if anyone cleanses himself from these things, he will be a vessel for honor, sanctified (which means to be set apart), useful to the Master, prepared for every good work.” This #1 place in our hearts is reserved only for our Heavenly Father. We must set ourselves apart from the world and our own desires to serve the Lord, putting God first in all we do. We live lives that prioritize our time with God and His kingdom. We choose not to participate or act in ways that people around us do because we want to honour the Lord in everything.

Just as that knife has been carefully forged, God has created each of us for His specific purpose. To think that our Heavenly Father has a perfect plan and purpose for each of us is so amazing and an indescribable joy. Why would we want to give ourselves to lesser things? We want to encourage you to ask yourself “Who am I serving today?” Is it myself or the Lord? When we surrender all of ourselves to God, then we will begin to live the transformed and joyous lives that our Lord Jesus died to give us.

God bless you all and we hope to see you soon,
- Jacob and Laura

THE IN LIFE

Hello everyone,

Hello everyone, I hope you are all well. This week I have been speaking with a brother from Nigeria. He said he has recently seen men in his local area killed for their faith in Jesus Christ. Lord Jesus, we cry out to you, as there is such hatred in this world, especially against your name. We take heart knowing that You have defeated death and there is an eternal promise awaiting all those who call upon Your name. We just lift the families of these men up to you Lord Jesus, that the Holy Spirit would lift them up, comfort, and strengthen them in this time. In Jesus' Name, Amen!

This week I wanted to ask everyone to continue to pray for one of our sisters and her family that has continually been suffering and facing trials. As time has gone on and we continue to speak I have noticed that more recently she is not doing okay. Sometimes the challenges in this life can build up and become too much to bear and how much more we need our Lord and His strength in these times. Please ask the Lord to give our sister the strength to continue to call upon His Name in her suffering and in the weight of the trial, to surround her with His comfort and presence and to lead her in His perfect will. Lord, we also pray that You would bring a much needed reprieve to our sister and her family soon, in Jesus' Name. Amen.
