“ARMOUR ON”

it's really amazing the amount of waste we can produce as a individuals not to mention a house full of people! All the packaging that just gets cast aside, thrown away after a single use. From the grocery store or the hardware store even the bulk purchase stores, whatever you have bought ends up into the car to travel a few more kilometres to home where it's then deployed for its use only to find that boxes are everywhere in the trash.

As a child I would be the first to claim all those empty boxes the more the better my heart would say! You see what was garbage to others and waste was joy and excitement to me. As much as I loved cereal and those cornflakes and Weetabix I loved the empty boxes all the more! I couldn't wait for the hand towel rolls to be done. I would actually have a little collection of them and those deliveries that came

those brown cardboard boxes I would have them categorized by the thickness of the cardboard. You see cardboard boxes just weren't boxes they had the small thin perforated, the Bendy types and they were great for wrapping things around making different shapes. Then you have the stiffer thicker cardboard that was really difficult to bend and it takes all of your weight to turn them to different angles; those ones are great for larger surfaces. Christmas time was great because then you had the big cardboard rolls from the wrapping paper combined with others let my little imagination run free.

To my little imagination these weren't just cast off pieces of paper and cardboard but they were tools to be utilized....in creating the greatest robot ever! I would spend hours mapping out and laying out what I was going to create and how I was going to do it given the numerous amount of cardboard supplies but with limited amount of tape. I also have to figure out what were the most important parts of the robot to be!

Clearly it had to be super like the Grendizer (Japanese robot). I would put them together step-by-step making sure the parts fit and that I could move what is good as a robot if you can't move. I fasten the weapons those care bands worked really well and elastics that fire off. What looked like a piecemeal bunch of cardboard laced together to me looked like the real thing in my little mind!

One thing I certainly had to make sure of though no matter how good the offensive

weapons I could come up with (toothpicks, popsicle sticks, rubber bands and tinfoil are very limiting) was really a *solid defence and solid armour; that was really important to prevent damage and destruction* of that said robot. A little trick I learned from watching TV!

Yes it was that solid defence that would get those marvellous robots out of those tight situations. It was the strength of their armour that made the difference in the midst of the battle when they were being teamed up on from every angle from every side. My heart would flutter in watching, "how is this going to happen, how is it gonna get out of this?" It was stressful and intense as I would think watching my favourite robot face assured defeat at the hands of his arch enemies. As I time warp

to today and the Christian life. I look back at those episodes and observing how the attack came upon my favourite robot in every aspect in every way when I least expected and faced better consequences. But just as it had *the right armour strong enough to withstand all attacks* that came its way, so we too have armour and protection. The book of Ephesians tells us: *“Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God”*

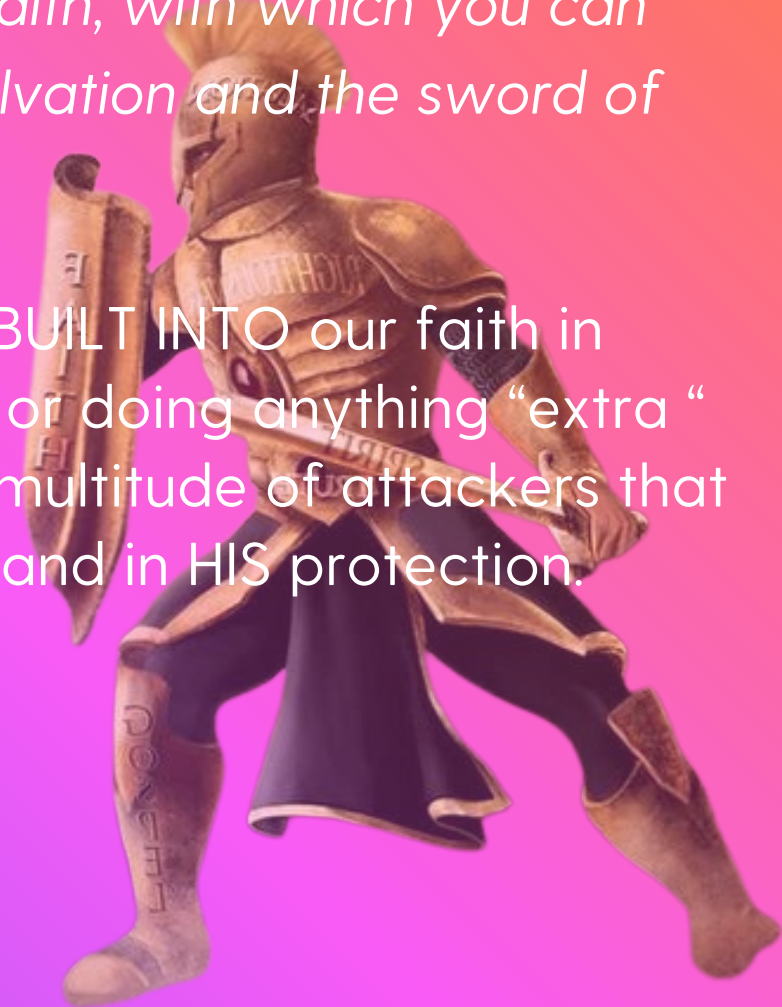

Ephesian 6 10-17

How wonderful, how magnificent to know that we have protection **BUILT INTO** our faith in Christ Jesus! There is nothing we have to do, no fashioning, no fixing or doing anything “extra “ just **FAITH** and obedience in our Lord Jesus Christ. Regardless of the multitude of attackers that come upon us each day, as believers **TRUST** in the might of our Lord and in **HIS** protection.

See you Sunday at 10:30

YOUTH WALK

JACOB MARTINS & LAURA MORRIS

Hi everyone, Jacob and Laura here!

We hope you are all doing well on this first warm week of 2026! Spring is just around the corner and that means everything is about to ... GROW! Well, maybe not right away, but it is going to start soon. At youth group, we are under way in our new discipleship series, and we wanted to talk to you today about growth. There are many areas in our lives we may desire to grow in, things we set as our 'life goals'. Lots of people want to grow taller, grow smarter, grow to be more popular, grow their bank account or social media presence, and so on. Not all of these things are necessarily bad, but God calls His people to grow in a different way. We read in Ephesians 4:15 that "speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ."

God wants us, in every aspect of our lives, to grow in our Lord Jesus. What does this look like? Well, we seek God in our daily lives through prayer, Bible study and fellowship with other believers; where we learn about God and grow closer to Him. Our faith and reliance on God grows in the midst of daily challenges. Day-by-day, these things lead to our hearts being transformed into who God calls us to be. For those of you who go to the gym or play a sport, how do you get better?

Is it by going to the gym once a month and blasting a workout so hard you can't walk for a few days? Of course not. We build consistent habits and see a steady increase of weight and time, little by little, until the thing that seemed impossible last year now is possible. When we come to faith in our Lord Jesus, we begin a lifelong journey of growing to be more like Him in every way; growing in our love for God and for His people. We want to encourage you all to seek to grow *in our Lord Jesus*. When we consistently do so, life is such a joyous thing. There is no rush, no stress, no pressure to 'get it right', we just get to enjoy life with God.

THE ^{IN} LIFE

Hello everyone! I hope you are all well. This week I have been speaking with a brother from Pakistan, who is seeking to build an orphanage in Lahore, for the large population of orphaned children in his community. He has said there is a great love of God amongst these children, and wants to be able to serve them. Lord Jesus, we just lift our brother up to you that Your will be done in the building of this orphanage. We pray that You would strengthen him to share Your word to the people in his community and that you would bless him, and equip him with everything he needs to be obedient to you Jesus Christ. In Jesus name, Amen!

Hello everyone, I hope you are doing well. I wanted to ask everyone to please pray for our sister who was having a hard time with her pregnancy, and to lift up her family to the Lord as well. She recently let me know that the baby had gone home to be with the Lord and that she and her husband are facing other trials such as unemployment. Please pray for the Lord's presence and peace to surround them in the midst of their suffering, to strengthen and heal their hearts, for His provision, and to guide them in their trials by His Mighty Hand.

“Finally, be strong in the Lord and in the strength of His might.¹¹ Put on the full armor of God, so that you will be able to stand firm against the schemes of the devil. For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places”

Ephesians 6:10-12

Ephesians 6:10-12

FOR OUR STRUGGLE IS NOT AGAINST FLESH AND BLOOD, BUT AGAINST THE RULERS, AGAINST THE POWERS, AGAINST THE WORLD FORCES OF THIS DARKNESS, AGAINST THE SPIRITUAL FORCES OF WICKEDNESS IN THE HEAVENLY PLACES”
