Voices We Listen To

"Did you hear that they said??"

"Did you see what they did??"

"Did you see.....??"

Ah those familiar phrases of a "those" conversations that we so often hear and are a part of. The idle and seemingly harmless chat, maybe in passing, maybe at the office water cooler ensues daily in the lives of so many.

But honestly " did you hear?!"

The voices that deliver these messages, the whispers that tickle our ear usually have nothing good attached to them. Gossip, backtalk, rumours, call them what you will, they are all of the same source, the adversary. See, hearing what TJ did or how atrocious MB looked simply brings negative

thoughts and words into play which though seemingly “innocent” has an effect of dividing the hearts of people. At work where unity, teamwork is sought, these other whispers, other chattering voices in the background that we participate in can bring the roar of commradery and that hard work team spirit to a crashing full stop!

Now communications is one thing and we all do that, but when the words expressed aren't of the communicative type but of idle chat, complaints, slander and the like then these are *the whispers, the other voices* that beguile a person. We read in the Bible :

“ and do not give the devil an opportunity.”

Ephesians 4:27

Some translations use the word *office or embassy* which are very good terms, not allowing the adversary to WORK or FUNCTION from a

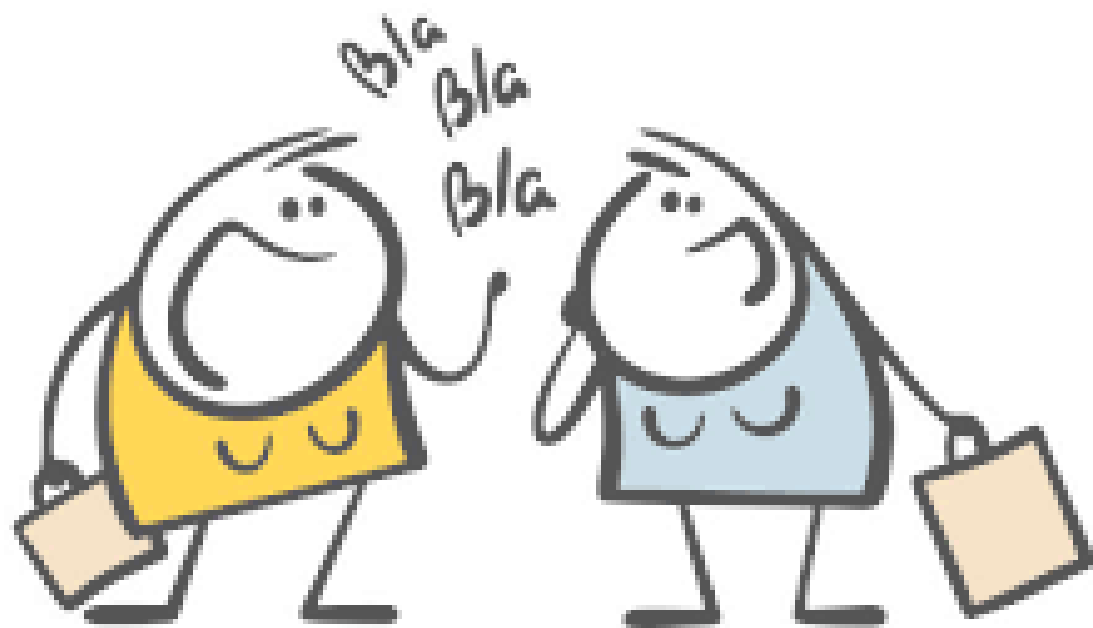

station or place in you. In ME? Yes exactly IN YOU! As we said these words, gossips are unrighteous and bring the seed of the adversary. As one participates in these ways, gives ear, then the words of the adversary are sown in the mind and it's not long before it overtakes one's heart.

As Christians we belong to the Lord and we are to know HIS VOICE

“My sheep hear My voice, and I know them, and they follow Me”

John 10:27

We hear the voice of God ! We know Him and we are to *obey only HIS voice*. Yet as we allow the whispers of other voices in and other words that are usually unkind, belittling to others enter our hearts and minds- confusion ensues. Confusion and a lack of clarity of God's voice, the ONE we are to listen to and obey.

We continue to read in the book of Ephesians :

" Let no unwholesome word proceed from your mouth, but only such a word as is good for edification according to the need of the moment, so that it will give grace to those who hear."

Ephesians 4:29

There it is, the gossip, backbiting, rumours are akin to unwholesome words! Worse yet is as how in doing these things we can affect

and diminish our ability to hear the VOICE of GOD! Paul had to directly speak to some of these behaviours in the troubled church at Corinth where we read in part:

" for you are still fleshly. For since there is jealousy and strife among you, are you not fleshly, and are you not walking like mere men?"

1 Corinthians 3:3

the "fleshy" Paul refers to here is the *carnal person*, the earthly heart and mind and not the transformed *spiritual person* who chooses

to live life according to the Bible and walk WITH the Lord. The book of Roman's expresses this as well:

"Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be."

Romans 8:7

It is to the carnal mind these other voices and unwholesome words, rumours and gossip speak and open the doorway for the adversary to function - creating the office or embassy to function. It really is as simple as that!

We are called to LOVE each other, LOVE our neighbours. To do so requires consideration, compassion, kind loving words which we hear from the voice of the Holy Spirit that help build up the saints. The other voice of the adversary is the opposite where it tears down, criticizes, causes confusion and divides.

So, how is your heart and mind and what voice are you listening to?

See you Sunday at 10:30

YOUTH WALK

Jacob Martins & Laura Morris

Hi everyone. Jacob and Laura here! We hope the fall is going well for you. At COSF, we have officially launched the Friday Night Youth Group. Week one was a blast! We played games, had some laughs and worshipped the Lord. We also took time to pray together. The youth leadership team has been praying for the 13 high schools in Barrie, and every Friday we will continue to take time together to do so as a group. We have been praying that God would work in the lives of His children in the city of Barrie and draw all youth closer to Him. We want to see the high schoolers in Barrie turn to the Lord and follow Him. This is our heart for God's people and we pray for you all because we love and truly care for you. We all have people in our lives that we love, some people who are believers and others who do not know the Lord Jesus. Whoever it may be, we want them to be saved from their broken ways and changed to be who God wants them to be. But it can be a challenge and disappointment when someone we know remains where they are.

Sometimes we want to take matters into our own hands, but that never works out well.

This is exactly what we wanted to encourage you all in today. We can rest assured that God knows our hearts already and lift up our friends, family and

peers and we can be honest with God during the disappointments that come. 1 John 5:14 says "This is the confidence which we have before Him, that, if we ask anything according to His will, He hears us." God loves and died for each one of us, so we encourage you to pray for all of God's people, no matter who they are or where they are in their walk with the Lord. When you do, don't fret or be discouraged. Lift up those we love to the Lord and let God do what He is going to do. He will do an amazing work according to His timing, things far greater and surprising than we can imagine, because He is in control. God bless you all and we hope to see you on Friday at 6:45!

IN THE *life* ...

Hello everyone! This week I have been speaking with a brother from Pakistan. He has been having trouble finding work, and has prayed that the Lord would provide for him. Praise God, as he messaged saying he has found work! He has now told me that he is working for muslims who are hateful to Christians because of their faith. Please pray for our brother that the Lord would strengthen him to endure the unloving cruelty of this world, and to have a loving heart of Christ for those who have not yet been saved. We pray for all our brothers and sisters that the life saving word of Jesus Christ would reach their hearts! God bless you all.

Hello everyone! This week I have spoken with 2 sisters whose mothers both have illnesses and are in need of medicine. They are unable to afford the medicine that they need and one sister's living conditions are not the best. These situations can be very overwhelming and so please pray for the Lord to help them keep their eyes on Him and His faithfulness, to uphold them and for His provision. Lord, we trust that You will sustain our sisters and their mothers, please bring them what they need and your healing in Your perfect way, in Jesus Name.

Many people have a tough time believing that God still speaks. We've learned from Scripture that God spoke to His people in ancient times and in mysterious ways, but how do we hear His voice now? The truth is God still communicates with His people, but He often speaks in a whisper—not to make it difficult to hear Him, but to draw us close.

In this 4-session series, Mark Batterson teaches what it means for Christians to discern the voice of God in their lives. He will introduce the seven love languages of God—each of them unique and entirely divine. By learning to tune in and decipher each language, Mark equips believers to hear God's guidance and grow closer to Him.

God is speaking. Do you know how to listen?
