Life Is A Bumpy Road

We've all heard about the bumps we'll encounter on this road of life. As a matter of fact we've ALL experienced various challenges that life can bring, some seen or the expected of which there many. These challenges test us, the stuff we're made of and our ability to handle stress, deal with potentially difficult or life altering circumstances and to overcome these speed bumps in life.

From *family, career, family, finances, family & friends, health* to just about any aspect of life can pose a challenge in our lives. The youth and children are very susceptible to the effects and stresses of these challenges as they haven't yet faced many nor do they know their response and coping ability. But they ,

like each of us have to learn how to rise to the challenge before them.

So how are we to deal with obstacles in our way that can seem like a mountain to climb? How do you break cycles of behaviour and addictions that just keep happening over and over with the same broken result? There are so many self help, guided and group help organizations that can assist and can be beneficial...to a point. Then there is the counselling approach that too can have some effect...to a point.

See all of these things are attempting to solve the problem from a carnal human standpoint, that is to say it speaks to the human mind and to the afflicting (sinful) behaviour. Let's take a negative behavioural aspect for instance that one has learned through life. How has it served the person ? Maybe in getting their way, bullying, selfishness, self gain etc. They may not realize these " normal" traits or effect in themselves but

the effect on others can create chaos, challenging relationships. The patterned deficit behaviour rises and falls like a speed bump on the road, at times we get stuck on the incline of that obstacle as it seems too daunting to change or come away from. " How will I ever get over...?" is a questions asked internally. The great thing is when we get to the pace of asking ourselves honest questions like this it's a

pretty good indication we know the bumpy path full of those speedbumps isn't going well and it's time to change. There is a HEART DESIRE to change which is greater than the minds thinking of the need!

When we arrive at this place we begin to look beyond ourselves, beyond the things that have been tried and failed for true freedom from the enslavement we reside in.

Here is where we encounter and meet the Lord in a place of surrender, the place of "I CAN'T!"

"The Lord's grace, sacrifice and perfect work on the cross HAS set the captives free!

*The Spirit of the Lord is upon Me,
Because He anointed Me to preach the gospel to the poor. He has sent Me to proclaim release to the captives, And recovery of sight to the blind,*

To set free those who are oppressed Luke 4:18

Freedom from the oppressive ways , the speedbumps that hinder our progress in life, our enjoyment in life , our walk with our Saviour Jesus Christ. It is IN the Lord and THROUGH the Lord that we have true freedom , as the scripture says:

"So if the Son makes you free, you will be free indeed." John 8:36

So having been freed by *His* grace and not by any works or methods of man (which only cope)

that IS FREEDOM in the Lord who is able to uphold us over every trial as we move in FAITH of His sustaining grace.

When we say to ourselves or recognize that reacted broken aspect repeating it is the voice of the adversary wanting us to be enslaved AGAIN. Persevere, resist, cry to the Lord "uphold me by Your mighty Hand that I may overcome to Your Glory!"

When you do, you will find you are quickly over the incline of the speed bump and headed down to calmer times.

"Blessed is a man who perseveres under trial; for once he has been approved, he will receive the crown of life which the Lord has promised to those who love Him"

YOUTH WALK

Jacob Martins & Laura Morris

Hi everyone. Jacob and Laura here!

Growing up, Laura and I played a lot of sports. Solo sports like Track and Field were my favourite, but Laura and her family were big into baseball! Her nana, her dad, her sisters; they all loved playing baseball. This has been an exciting time for their family and many across the country, because as I am sure you've heard ... The Blue Jays are in the World Series! It's amazing to watch Toronto's team compete against each other. Seeing how they have been practicing their individual skills, coordinating between different positions and plays, managing the pitching staff and injuries on the team. It is fascinating to watch the collaboration and teamwork required to be successful. All of the players are sacrificing their own desires for the sake of one common goal. Laura and I are even impressed by the Canadian fans. In a world that is so divided, it feels like the whole country has come together and united in a common goal, wanting the Jays to win! There is something about a moment like this where we people join together for something greater than ourselves.

We see a similar idea to that demonstrated by The Blue Jays throughout the Bible. Paul writes to the Ephesian church, calling them to walk "being

diligent to preserve the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as also you were called in one hope of your calling," (Ephesians 4:3-4). As I am sure you have all seen and experienced, the way of the world is divided. Gossip, conflict, envy, violence, and so much more come as a result. However, God calls His children to live not for ourselves, but to have one heart and mind. Jesus died for all people and commands us to live in peace, unity, love, patience, self-sacrifice, and humility. And this is what we wanted to encourage you all in today. As believers we are united in Christ. We all share the common goal of serving the Lord with our lives and sharing His truth with others. We also share in encouraging and supporting one another as we seek to grow in our faith. So be encouraged, you have a whole team of Christian brothers and sisters on your side!

Hello everyone. This week I have been speaking with a brother from Pakistan. He, his wife, and his three children fled Pakistan due to severe Christian persecution, and are now seeking asylum in Thailand. They are struggling to find somewhere to live, and have regular food. Please pray for them, that God would provide all that they need, and strengthen their faith. God is faithful, and upholds those who trust in Him and in the waiting, there is mercy. We know and trust that our Lord will provide for His people. God bless you all!

Hello everyone! This week I had spoken with a woman from Pakistan and she was sharing with me more about the state the severe flooding has left the people of the region, and how they are losing hope. She has been earnestly praying and seeking prayer for provision of Bibles so that the people may have the Word of God in this challenging time. We trust the Lord is faithful to send forth His Word. Please pray for the provision of Bibles in the region that His people may find strength and hope in Him and that others may come to know Him during this time.

LIVING AS AN OVERCOMER

Eternal Motivation for Earthly Success

The unique hardships of our modern lives can often feel insurmountable. But God's Word reveals to us that there is no obstacle, habit, or situation we face that Jesus hasn't already given us the power to conquer. In this eight-session study, bestselling author Dr. Tony Evans examines how Christ's message to the seven churches in Revelation can challenge, convict, and lead us toward emphatic victory over any difficulty in life. As we heed God's instructions to the early church, we will learn to reject lukewarm faith and start living as overcomers
