Waiting to board a plane for that trip may seem like an eternity; arriving early at the airport, all the particulars and the checklist and making sure you didn't leave anything behind. Several hours seated walking pacing waiting. Finally you hear on the announcements “now boarding!” Everyone rushes to get to the line even though they haven't been called yet, waiting eagerly to make that walk for the boarding. Once you finally make it to your seat that's just the beginning of the process; see there's a whole system of “checks” that have to take place before actual departure and you can

UP,UP & ONWARDS

feel that white sand below your feet! I'm thankful there are those systems and checks to make sure everything goes well from the sign with a seatbelt on, the no smoking signs, the trays up, put those bags away we don't want them flying around, the door is checked and it goes in the passenger area. Little known to us there are entirely different checklists happening on multiple fronts to ensure a smooth ride. From the weather checks, air traffic, procedural ground cruise, the loading of the luggage, fueling, visual inspection, maintenance, route review ... the list goes on. Everything leading up to that taxi and takeoff is meticulous, intentional to ensure the safety of all on board and of the craft. Thank you for systems and the completion of a pre-flight checklist! As a matter of fact these systems and checklists apply to almost everything we do in life. How so? To ensure that we are diligent and prepared. For example you don't go to work if you don't have your bag or briefcase with your laptop and your computers, and your keys and don't forget that cell phone your day won't go very well.

Very low production would be a result, all because you didn't check.

Heading out on a road trip might not go so well if you didn't check to see if you had your wallet and if there was enough gas to get you to your destination...better call CAA!

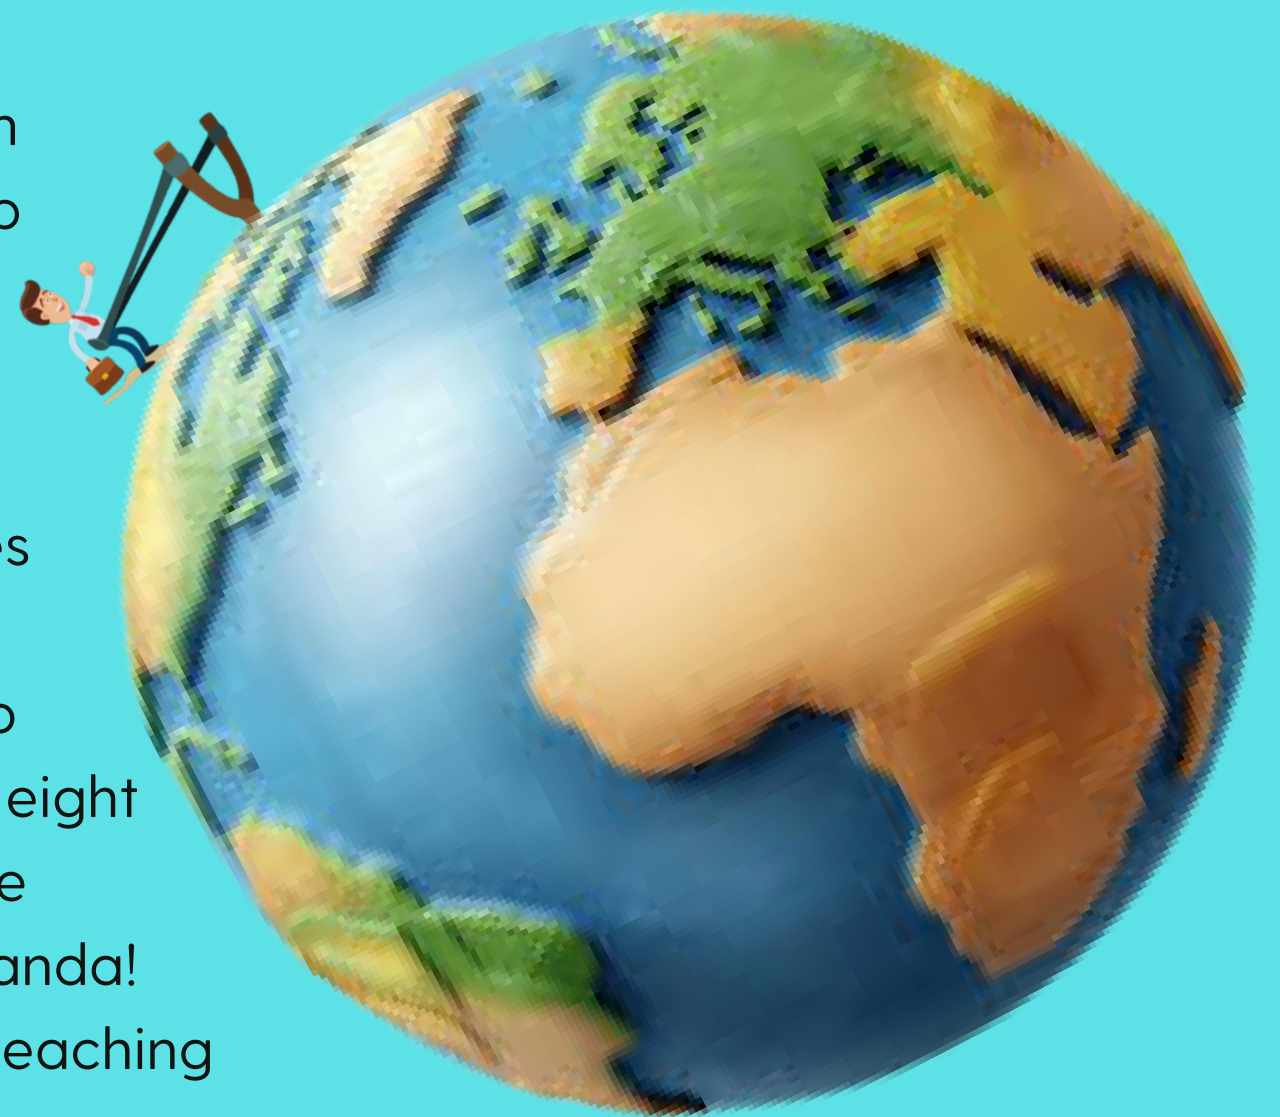

So we can see preparation is very important. And so it is in the church as well, especially at Christ Our Saviour.

The Lord has been leading our church into the nations and we've seen this where we were called out to do special services and proclamation of God's good name in Florida. The series led us to realize the Lord's desire for us to plant a church there which is still in the building phase. Behind the scenes there was great planning behind every service and what we had was significant and everything had to have its checks and its balances; the travel, the coordination, logistics of the church and everything in between. The missions that we do require planning and checklists; from downtown Barrie feeding the most vulnerable and those in need requires the coordination of people to help, cooking of the food and preparations, distribution and more .

When it comes to courses that we have been running, from the Alpha course where the preparation requires preplanning the dates, notification and advertising and letting people know the course availability to ensure a successful experience for everyone. Now it's one thing to run a course locally but Christ Our Saviour Fellowship has *just launched* the Alpha course in India and in Africa. The planning, the coordination of tech and people is shared amongst several people and multiple aspects to ensure successful courses and the edification of those participating.

Speaking of courses we also have our leadership course that has been running since the fall. Every eight weeks a new course endeavour and now we are launching the leadership course in Kenya and Uganda! The logistics and planning of this is significant in teaching

these high-level courses halfway across the world! There's been great labour and discussions on our end how to roll this out, the best tech and employment of that technology, how best to raise God's people up so that they are successful. The book of Proverbs tells us:

“Go to the ant, O sluggard, Observe her ways and be wise, Which, having no chief, Officer or ruler, Prepares her food in the summer And gathers her provision in the harvest.”

Proverbs 6:6-8

Planning, preparing requires diligence, checking and rechecking, but more importantly being led by our Lord and Saviour. All the things we talk about and all the preparations that are being done and the operations of the church are all things we've been led to by the Lord, instructed in the great commission!

“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.”

Matthew 28:9-20

With the Lord's instructions and directions to “ go” we have done just that and with diligence and preparedness as much as we are able. There is the great thing - we labour with God! As we are called we have our responsibilities but it is God that brings forth the fruit to His glory! With thankful and humble hearts this week we have seen and it has blessed our hearts as we hope it has yours as well. It is vital that in all of these preparations that everyone is doing that we are found faithful and about our Father's business. Yes our Lord is preparing too:

“..I go and prepare a place for you, I will come again and receive you to Myself, that where I am, there you may be also...”

John 14:3

While we wait let's labour together in all that we are called to do to the glory of our Lord Jesus.

YOUTH WALK

Jacob Martins & Laura Morris

Hi everyone, Jacob and Laura here :)

We hope your weeks are going well. We pray that as we are getting towards the end of your semester that the Lord upholds each of you as you continue to labour in your studies. We are excited to share some news. This Friday will be starting a new series called *Life on Purpose* where we will be looking at sharing our testimonies and faith in our Lord and Saviour Jesus Christ, and serving others.

This week we wanted to talk to you about our responsibility as Christians. As I'm sure you've all experienced, life with God is a constant journey of growth. God always calls us to draw closer and deeper in our relationship with Him, and this looks different for each moment and season. Often, the Lord will provide opportunities to 'practice our faith' and live out what He is growing in us. After all, our faith is not just something we think or feel. We must live out our faith in God.

What does this look like? I am sure we all have at some point, after hearing a topic preached on Sunday, run into a situation where we ourselves or a friend are struggling with the same thing. Coincidence? ... I think not! In these moments

the Lord is providing us with the opportunity to serve Him and be found faithful before Him. Our Lord Jesus tells a parable in Matthew 25:21, where there is a servant who faithfully handles what he is given by his master. And the master replies, "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"

God promises to work in all things, but it is for us to be watching and waiting for the moments the Lord wants to work through us and respond faithfully when these opportunities arise. The Christian life is not one of comfortability or complacency, rather we are called to be humble and surrender of our own will to the Lord that He will use each of us, specifically how He wants. Every opportunity that God puts in our lives is meant to glorify His Name, for we long to hear the words, 'well done, good and faithful servant'. We want to encourage you, as we begin this new series and the Lord expands our faith, let Him lead you and guide you in all that He has prepared for you. We are very excited to start this series and we hope to see you all Friday night!

THE ^{IN} LIFE

Hello everyone, I hope you are all doing well. This week, I have been speaking with lots of brothers from Asia and Africa, who are excited for the Alpha Film Series to start. I wanted to pray and lift the series up to the Lord, as our brother and sisters begin this time of fellowship, and drawing nearer to God. Heavenly Father, Lord Jesus, we thank You for all things. We thank You that You have made a way for the Alpha series to be brought to the nations, and pray that You bless it, and draw Your people closer to You. I pray Your Holy Spirit fill the hearts of everyone participating, and have Your perfect way. In Jesus' name, Amen!

Noah Martins

Hello everyone, I hope that you all had a wonderful Mothers Day! I haven't heard any updates from our sisters recently on how they and their families are doing but please continue to pray for them and to commend them to our Lord. I also want to encourage us to keep praying for all of the saints, to pray for each other, as we each go through trials and sufferings. Lord, I pray please give us a desire for You alone in the midst of our suffering, in this world that is contrary to You and in our own hearts that stray. Please grant us faith and fill us Holy Spirit so that we may walk with You and that You would be glorified in us, Your children, in all that we do, in Jesus' Name, Amen.

Scripture Memory Verse

“Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.”

Philippians 3:13-14

Are you ready to accept our Lord Jesus Christ as your personal Saviour and be obedient unto His command of Baptism? Please speak with us.

“BROTHERS, I DO NOT CONSIDER THAT I HAVE MADE IT MY OWN. BUT ONE THING I DO: FORGETTING WHAT LIES BEHIND AND STRAINING FORWARD TO WHAT LIES AHEAD, I PRESS ON TOWARD THE GOAL FOR THE PRIZE OF THE UPWARD CALL OF GOD IN CHRIST JESUS.”

PHILIPPIANS 3:13-14
