Behold, I do a new thing.

ISAIAH 43

As humans we really are creatures of habit in all that we do and that isn't necessarily the greatest thing! We like to get into unchanging, predictable routines and move within those preset patterns. This tends to give us a sense of comfort and stability as we construct and go about our lives. Depending on what our outlook in life is, mainly what our focus/goal is in this life, that can be either joyous or terror. What do I mean joyous or terror? We have all had a past, a history where we all went about galavanting in different fashions. Think back for a moment, who you *used* to be, the things you participated in or the things you had incorporated into your daily / weekly life. The *world* lives for the weekend with it's work hard all week and party just as hard on the weekend!

What that party consists of, is the substance of this world and the activities they find acceptable.

We read in Galatian's what they are about :
"The acts of the flesh are obvious: sexual immorality, impurity and debauchery; idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions and envy; drunkenness, orgies, and the like..."
Galatians 5:19-21

That sums up a typical Friday and Saturday for many people with Sunday left to recuperate and reflect back on and *remember* the previous day(s) lived! Unfortunately some people lose memory from the *bacchanal* of those days.

Yes those are (hopefully) the days of yesteryear, long gone (I'm praying).

All of these activities we continue to read are contrary to how those who believe in our Lord Jesus Christ are to live. Galatian's goes on to read:

"...I warn you, as I did before, that those who

live like this will not inherit the kingdom of God.

Galatians 5:21

The ways of yesteryear, the carnal life, the old person are contrary to the ways of the Lord and the spiritual life we are called to in our Lord Jesus Christ. Week after week people repeat the same pattern, being contrary to the Lord through repeated patterns and choices which are difficult habits and patterns to break.

The adversary of our soul wants us to remain a prisoner of “what was” and to remain in the memory of *what and who has died*, the old person. In this we struggle to change habits. We truly can’t change on our own; this is why the Lord came to save us from the habitual sin we allow in our lives and are slave to.

“The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind,

to set the oppressed free”

Luke 4:18

We HAVE BEEN SAVED by the sacrifice of our Lord and He has broken the chains that once bound us in sin. It is for us to *remember this* and in so doing we *remember ALL the goodness of the Lord in our lives*. In Romans we read :

“For we know that our old self was crucified with him so that the body ruled by sin might be done away with,^[a] that we should no longer be slaves to sin— because anyone who has died has been set free from sin.”

Romans 6:6-7

Whatever ails us, troubles us...we ARE FREE in the new person. God Himself has taken us over and forward by His grace for His glory which is what we need to reflect on and remember. As the Lord leads we are to follow. If we remain in our daily patterns and routines, how we “always did things” how are we to follow God’s lead?

Our Lord Jesus is leading each one of us to the
NEW PERSON, the renewal that is in HIM.

*"Therefore, if anyone is in Christ, the new
creation has come: The old has gone, the new is
here!"*

2 Corinthians 5:17

Remember this, God IS leading you to a newer
and better person IN HIM! As He leads us we
are to follow Him, abandoning ALL previous
ways, cycles, routines, thinking, behaviours...ALL
THINGS to be renewed in what the Lord wants
for us in our lives.

As He says in Isaiah 43:19

*"See, I am doing a new thing! Now it springs
up; do you not perceive it?"*

I see it, we behold it this weekend and can't
wait to see where the Lord leads us all.

See you Sunday at 10:30

YOUTH WALK

Hello everyone, happy fall! Laura and I really do love the fall. The nice drop in temperature so we can start wearing sweaters, the cool breeze, and the fall colours, what is not to love? And with all of this change in the season, many of us are seeing something similar in our lives. I'm sure now that you are 4 weeks into school, things are starting to ramp up. I've heard of lots of assignments being handed out, university preparations for those in grade 11 and 12, tryouts and practices and new skills being learned, maybe new friends and social environments. There are a lot of areas we are growing in! Even at COSF, God has been leading us all in something new! As you probably know, we have been changing locations to a new unit three doors down and we have been labouring and learning a lot of new skills as we construct God's house. All of the church members have been learning how to do plumbing, build a metal frame and wall, cut steel and put down carpeting, etc. We have been learning how to do things we never thought we would, and although we have been challenged and have had to persevere through difficulties and doubt, it's been amazing to see each person grow!

These seasons of growth can feel challenging, but

they also come with the opportunity for God to expand us beyond where we are currently at. The Lord strengthens and transforms us. As you are presented with the opportunity to grow each day, you should ask yourself ... 'what is my response going to be?' You can either resist, complain or try to stay in a place of comfort OR we can recognize these opportunities as blessings from God meant to expand us! As we look back over the past days, months and years, we see how God has grown us in all areas of our life and we should be thankful for what He has done and what He will continue to do. 1 Thessalonians 5:23-24 says "Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the coming of our Lord Jesus Christ. Faithful is He who calls you, and He also will bring it to pass." God doesn't want us to be the same person that we were yesterday. He wants us to be expanded. God is faithful to lead us in every moment, we just have to be thankful and follow HIM!

Hello everyone! This week I have spoken with a brother from Kenya who had an accident last year, and has been suffering with stomach issues since. No doctors will consider operating, and now he is experiencing laboured breathing as well. We lift our brother up to the Lord and pray that Jesus would heal these injuries. We also pray for a doctor who is willing to treat our brother. We trust that God is faithful to save those that call upon His Holy and Mighty Name.

Hello everyone, a sister has been seeking prayer for the orphan children under her care. The flooding in Pakistan is still affecting them and they have no place to live, no food, no clothes and no shoes. Bless our Lord for how He has upheld them in this challenge and please pray that He continues to uphold and strengthen not only our sister and these children but everyone in the region suffering from the flooding, that the Lord provide all that they need and may they be drawn closer to our Lord in this trial as He intends for His children in every circumstance. Glory be His Name.

JESUS CHANGES EVERYTHING

Teenagers often feel trapped. They're stuck in the same habits, depression sets in, and they wonder about their purpose. Life might seem pointless or hopeless at best. The lie that says nothing will ever change pulls teenagers deeper into the rut.

But Jesus offers a way out. He reaches down to give life—a new path to follow. He has the power to free us from habits, redeem our relationships, and give us a new identity. It all begins by deciding to follow Him, because a life surrendered to Jesus is a life transformed.

*“Forget the former things;
do not dwell on the past.

Isaiah 43:18-19

**NOW IT SPRINGS UP; DO
YOU NOT PERCEIVE IT?

WILDERNESS
AND STREAMS IN THE
WASTELAND.”**
