THE DESERT OF THIS WORLD

“What’s nagging you? “

“What’s wrong with that person?” or “Why are tests doing /behaving like that? Sound like familiar questions? It seems we keep asking ourselves or others this repeating query in regards to our daily interactions, the things we read / see on the news or outcomes in our lives?

You’re not alone ! It seems as though everywhere we look, turn today that something’s wrong...there’s confusion EVERYWHERE! It also seems to be getting worse and increase day after day, how can this be?

Just turn on the news and pick your favourite channel...and there it is: hatred, violence and unkind behaviours. Look at social media, any number of posts and midway show mocking behaviours, mean behaviours towards the fellow person, violence and I could go on..and an...and on! How did it happen so sudddenly? Where did human decency go? Was respect a thing of older generations? Wow, when I read what i just worry i sound like my grandparent's!

Wars

When we look across the pond to Europe, we see an ongoing war sparked by man's greed and willingness to let people die for that. The countless lives lost is terrible with no end in sight. We see tensions in the Asian regions with threats of taking of territories by others and flexing military might. Our gaze moves to the middle east, we see ongoing instability and what I will call acts of willful atrocities with such forwards for human life at ALL sides. Let's not forget at

a little closer to home there is a third of the global pie sitting. We see a flexing of military might to claim dominance and it seems to be the way of the wild west where rough and tumble, beat and k*ll is the rule of the day.

There is no Peace

The constant fear and state of violence is worryful, stressful and having an affect on the hearts and MINDS of people. Everything we are seeing on TV desentisitizes and makes the current state seem "normal" and trains people to accept it as the way it is and supposed to be. Really? Harming each whether local or a traveler, sojourning person (makes no difference) due to colour, race, political sides and more is in no way normal. The willful exploiting of people regardless of age or gender is wicked at it's heart.

We read in the Old Testament about God's love for people of all types:

"For the Lord your God is the God of gods and the Lord of lords, the great, the mighty, and the

*awesome God, **who does not show partiality, nor take a bribe. He executes justice for the orphan and the widow, and shows His love for the stranger by giving him food and clothing.** So show your love for the stranger, for you were strangers in the land of Egypt.”*

Deuteronomy 10:17-19

How refreshing to read **the truth of God and His word!**

We see, when GOD is taken out of the equation like today, when MAN reduces God to any place other than *the single most important , top priority...* something else has to fill that void in the vacuum that is left by choice. We see the devils playground open up in the hearts and minds in the desert of this world as a result.

This too was the case in the Old Testament when the people turned from the Lord Almighty and worshiped other gods, the demon entity of baal. We read about how there was sacrifices, causing people to pass children into the fire or child sacrifice! Something took the place of God, they went

from serving Yaweh God, the Most High God to the lowest devil. The vacuum of ruining from The Most High resulted in this as God declares through Jeremiah the prophet to the nation at hand:

*“Then go out to the Valley of Ben-hinnom, which is by the entrance of the Potsherd Gate, and proclaim there the words that I tell you, and say, ‘Hear the word of the Lord, you kings of Judah and inhabitants of Jerusalem. This is what the Lord of armies, the God of Israel says: “Behold I am going to bring a disaster upon this place, at which the ears of everyone that hears of it will tingle. **Since they have abandoned Me and have made this place foreign, and have burned sacrifices in it to other gods that neither they nor their forefathers nor the kings of Judah had ever known, and since they have filled this place with the blood of the innocent and have built the high places of Baal to burn their sons in the fire as burnt offerings to Baal, a thing which I did not command nor speak of,***

nor did it ever enter My mind; therefore, behold, days are coming,” declares the Lord, “when this place will no longer be called Topheth or the Valley of Ben-hinnom, but rather the Valley of Slaughter. And I will frustrate the planning of Judah and Jerusalem in this place, and I will make them fall by the sword before their enemies and by the hand of those who seek their life; and I will make their carcasses food for the birds of the sky and the animals of the earth. I will also turn this city into an object of horror and hissing; everyone who passes by it will be appalled and [f]hiss because of all its disasters. And I will make them eat the flesh of their sons and the flesh of their daughters, and they will eat one another’s flesh during the siege and in the hardship with which their enemies and those who seek their life will torment them.”

WELL THEN!

If God dealt with unruly, abandoning nation(s), people in their blatant disregard for Him *then* and if God is unchanging...what will He do in this new state of lawlessness and wicked hearts of man?

There is a desert, the Sahara and it is one of the deadliest places where a close second is death valley in the US. None of this compares to the fire and brimstone that awaits for the wicked hearts of all generations that the Lord will commit evil hearts to. Unsure about that, well let’s see what God’s word says...

“And angels who did not keep their own domain but abandoned their proper dwelling place, these He has kept in eternal restraints under darkness for the judgment of the great day, just as Sodom and Gomorrah and the cities around them, since they in the same way as these angels indulged in sexual perversion and went after strange flesh, are exhibited as an example in undergoing the punishment of eternal fire.”

Jude 1:6-7

Sounds like the similar thing of the Old Testament we just read! With all the uncovering of other things happening we hear/read of, it’s a troubling time...I haven't even mentioned the *book of Revelations* yet! Thank the LORD for His saving grace, believing hearts and **His peace.**

Youth Walk

*Jacob Martins
& Laura Morris*

Hi everyone! Jacob and Laura here :)

We hope you are all having a good week and that your new semesters are going well.

We wanted to take a moment this week to talk about our thoughts. I don't know about you all, but my mind can be a real battleground and struggle in my day-to-day life. Do you ever have this happen: you're walking down the hall in school and you start judging how someone looks. Maybe you become instantly worried about how you look. Or maybe you're doing school work and all of a sudden, "You aren't smart enough, you're too slow". Where did that come from? A minute ago, I was doing fine, my mind was at peace and then pow. Sometimes we don't even realize what has happened until later on.

These thoughts come into our minds and hit us in some of our weakest points; causing us to doubt, fear and feel anger towards those around us. When we are already down and in a weakened state, these types of thoughts seem to bombard us even more, like walking in a storm. We all have it happen to us to various degrees, invasive thoughts, voices and ideas that try to discourage us from seeking the Lord, tell us lies about who we are and pull us back into the past. What are we to do? How

do we overcome these attacks?

Firstly, we know God's promise, He promises to protect us and uphold us. Rebuke these thoughts in Jesus Name and have faith that nothing that comes against us will prevail. As we read in 2 Corinthians 10:5, "We are destroying speculations and every lofty thing raised up against the knowledge of God, and we are taking every thought captive to the obedience of Christ." Taking those thoughts captive is not easy. We can get caught up in the emotional response of these attacks, and start to panic about them. We know that they are lies, but it takes every bit of strength in us to separate ourselves from the emotion. Take a breath and step back from the emotion, ask God to help you. Finally, know that you are not alone in this struggle. We all face this challenge on a daily basis, but God is faithful. He will uphold each of us and God brings people into our lives to help us in our weakness. We pray the Lord bless and strengthen you as you continue to persevere in Him. See you all on Friday!

THE ^{IN} LIFE

Hello everyone! This week I have been speaking with a brother from India, who shared news from a neighbouring village. Three families who refused to denounce their faith in Jesus were kicked out of their homes, and forced out of the village. Praise God for their faith and resolve in our Lord Jesus, as the scripture says in Galatians 1:10 "Or am I striving to please men? If I were still trying to please men, I would not be a bond-servant of Christ." Their local community has provided food and temporary housing, and are just asking that we pray for them and lift them up to the Lord. Lord Jesus, we thank you for Your love, that You call us Your own. We lift our brothers and sisters up to You, and thank You that they have stood firm in Your Name, not giving into the pressures of this world. We pray that You strengthen them, provide all that they need, bring other believers to them to support them, and bless them abundantly. In Jesus name, Amen!

Noah Martins

Hello everyone, I hope you are well :) This week I want to lift up every believer unto the Lord that is suffering hardship. Whether that be poverty, famine, persecution, personal challenges, illness, emotional struggle, and the challenges of this world in which we all face. Lord Jesus, we thank You God that You are with us, that You are faithful, and that You have overcome. Lord please help us to call upon Your Name and look to You in these challenging days, for You are faithful to keep us and uphold us. Please continue to lead us closer to the Cross where You have conquered all things Lord, it is in You and by Your blood that we are free. Thank You for loving us. Lord, please help us to love each other as You have loved us and to live a life surrendered to You. We praise You, we love You, and give You all glory, in Jesus Name, Amen.

HEALTH FOR ALL NATIONS

One of the greatest challenges facing the Church is to address the need of people everywhere to live lives of health and wholeness (shalom). This was at the very heart of Jesus' ministry on earth as demonstrated by his integration of preaching, teaching, and discipling with works of deliverance and healing. Jesus practiced care of the whole person-body, soul, and spirit-in the individuals' social and environmental context. And he sent his disciples and the Church to continue this form of integrated ministry. Unfortunately, dualism (separating body and soul, deed and word, life and faith) as well as a reductionist attitude (oversimplifying complex situations and phenomena) has crept into the thinking and activities of the church and into the attitudes of many who are concerned about healing and professionally treat diseases. This episode examines how the whole Church can recapture a more integrated and whole person calling, working together for the healing of the nations.

Scripture Memory Verse

*“ Yet I have been the Lord your God
Since the land of Egypt; And you
were not to know any god except
Me, For there is no Saviour besides
Me. I cared for you in the
wilderness, in the land of drought.
As they had their pasture, they
became satisfied, And being
satisfied, their heart became proud;
Therefore they forgot Me. “*

Hosea 13:4-6

Are you ready to accept our Lord Jesus Christ as your personal Saviour and be obedient unto His command of Baptism? Please speak with us.

Hosea 13:4-6

**“YET I HAVE BEEN THE LORD
YOUR GOD SINCE THE LAND OF
EGYPT; AND YOU WERE NOT TO
KNOW ANY GOD EXCEPT ME, FOR
THERE IS NO SAVIOUR BESIDES
ME. I CARED FOR YOU IN THE
WILDERNESS, IN THE LAND OF
DROUGHT. AS THEY HAD THEIR
PASTURE, THEY BECAME
SATISFIED, AND BEING SATISFIED,
THEIR HEART BECAME PROUD;
THEREFORE THEY FORGOT ME.”**
