

Christian Catering Company

Dear Parents and Guardians,

We are excited to introduce an online system of ordering and paying for school lunches. This system will streamline the ordering process for parents and enable payment to be made via a secure website using a debit or credit card.

Please go to **<https://christiancatering.schoollunchchoice.com>** and register your child. There is a tutorial tab when you get to the registration page that will show you how to register and order.

Important: When registering, it is critical that your students name is entered with **all capital letters** in their name. You will not know your teachers name until registration so for the time being, just enter HS as your teachers name. We ask that as soon as you know your teachers name at registration that you please go back in and enter their name. Again, please enter their name in all capital letters without any prefix. Example: JOHNSON, please don't enter MRS. JOHNSON.

You must order one month at a time, but for August we are allowing you to order as little as 2 days in advance.

We thank you for your ongoing support of the lunch program and we are always striving for better ways to serve you.

Please feel free to email Christian_Catering@yahoo.com with questions or concerns.

Thank you,
Barbara Just
