Upon arrival we will enjoy the Authentic German Christmas Market Baltimore.

Being built after a German style Christmas market, Christmas Village in Baltimore is a combination of an indoor and outdoor event. Our center point is the 180x60' heated festival tent which accommodates the event stage, a large vending area of famous German vendor [Käthe Wohlfahrt](#), our indoor Beer Garden, and over 30 international vendors selling international holiday gifts, authentic German foods and drinks, jewelry and high-quality arts and crafts. The outdoor area, with its additional 15 wooden vending booths and an extensive outdoor food court, and thousands of twinkling lights, brings the original German Christmas charm to Baltimore. **New highlight since 2019:** a 30' high Christmas Tower from the Ore Mountain region of Germany which sells the largest variety of Glühwein, mulled wine, ever served at Christmas Village!
