  - \$6,337.79 in savings
  - \$170 cash on hand
  - \$126.93 outstanding checks
  - \$7,497.12 total
  - \$1,126 has been made for the club from the makerspace lapidary setup
  - Molly requested approval of \$203.88 for website renewal, it was motioned, seconded, and approved

### Business:

### Makerspace:

- They are running short on money and may not be able to pay building rent after March
  - If they cannot stay in the building club will need to move the lapidary setup to a new location, we will know if this is necessary next month
  - Can still use lapidary setup for the coming month
  - Need to consider alternative locations for the setup
  - For anyone who wants to use the equipment, contact Steve and he will schedule with you

### Field Trips:

- Steve will remain field trip coordinator
- Volunteers to lead trips start scheduling them with Steve
- Club has a list of the Wyoming rock shows for the year
- State show is in Gillette October 17-19

### Other:

- Silent auction for meeting next month, please make bids in dollar increments
- Need volunteers to do refreshments for February and March meetings
- Rock Solid will be closed Jan 27-Feb 10
- Richard has large world class rock collection and is looking to sell it
  - Collection is in Torrington
  - Contact him to make arrangements if interested in purchasing items
- Stan has made a jade calendar, the Lander museum has 7-8 copies which can be purchased for \$14

### Program:

None (presenters who were planning to do the program had to cancel)
