

## Pikes Peak Honor Jazz Band Drum Set Audition

Must be recorded with the metronome audible in the background.

Play the following drum grooves (and feel free to put fills in on each one between ms. 8 and 9 and at the end):

- 16 measures of bossa nova (qt. note = 120)
- 16 measures of samba (half note = 100, or qt = 200)
- 16 measures of fast swing (qt. note = 200)

Play this swing excerpt, doing the kicks as notated and with a metronome. The better you do with the metronome and style, the better your chances are to be in the band! Pay attention to dynamics too. Good luck!
