Message from Your Pastor

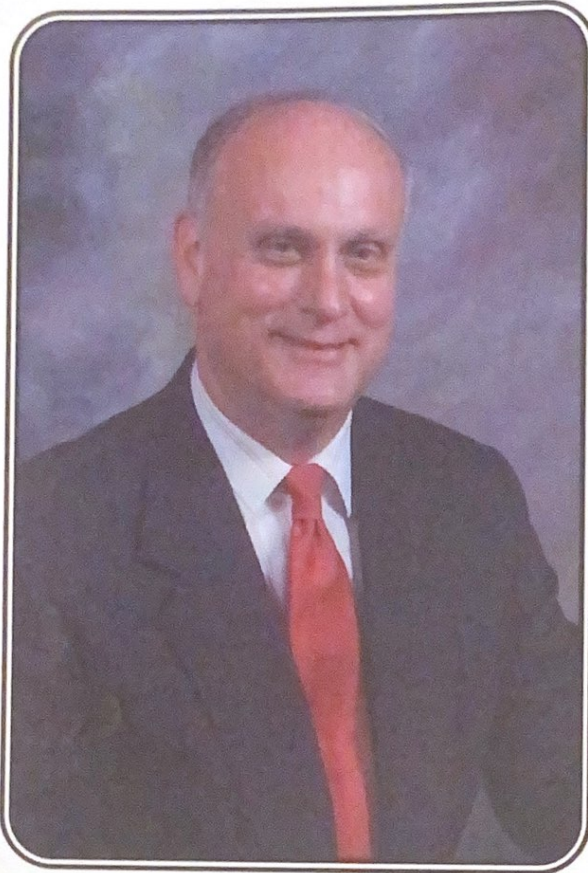

We are delighted with the publication of this new church pictorial directory! Our last pictorial directory was published seven years ago. Much has happened since 1992. Indeed, our world in South Jackson has changed since 1992. Along with these changes, our church has changed, also. This new pictorial directory will help to acquaint you with faces and enable you to put names with the faces as we seek to know one another better. That is imperative for a church which is seeking to make changes along with its community.

We mourn the passing of beloved members and grieve the relocating of many others, but we celebrate the new members and others who have come to be with us in these seven years. In one of our hymns, we ask that the Lord "Renew thy church, O God." He has graciously answered those prayers and is graciously answering them now. Our hope for a bright future here in South Jackson is the presence of the Lord.

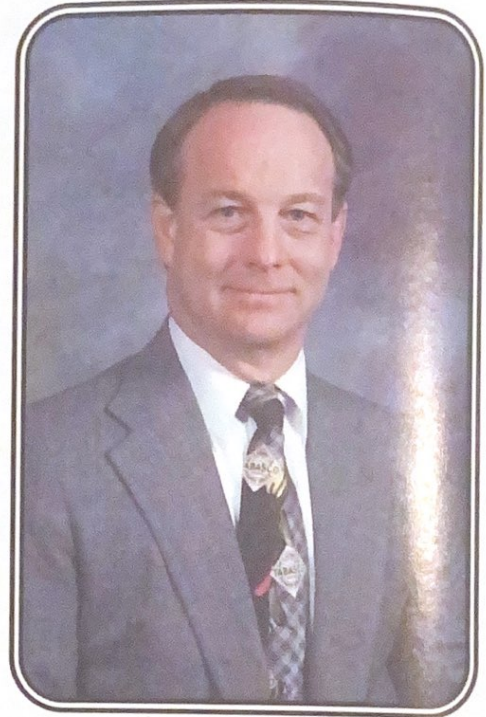

In the pages which follow, you will find photographs of individuals, families, and activities. These pictures will give you a sampling of Alta Woods Baptist Church. I hope that you will use this pictorial directory as the tool which it is intended to be. Thanks to Rev. Michael Patton, Minister of Education, and the pictorial directory committee which have worked diligently to make this tool possible. We express appreciation to our friends at United Church Directories for their assistance in making this directory possible.

Your Pastor,
Frank H. Thomas, Jr.
