Alta Woods Baptist Church
2011 Pictorial Directory

This pictorial directory is a tool for our members to get acquainted with each other. We need to know each other in order to be an effectively functioning church. So, to that end, we dedicate this directory -- that we may continue to function as the Lord would have us to function here on this corner, in this neighborhood, and throughout metro Jackson.

Frank H. Thomas, Jr.***

Teamwork

We extend a special Thank You to Bill Phillips for pursuing the idea of an AWBC Pictorial Directory. We appreciate his willingness to be a test subject as we tested lighting, positions, and camera settings. He hardly complained as we tried different settings, clothes, and lights.

He brought the resources and assets together to make the pictorial directory a reality. Thank you, Bill!
