## Have you Heard?

The Desk & Derrick Club of Wichita has partnered with Brickmob to create an oilfield mural in downtown Wichita that recognizes and celebrates the rich history of the Kansas oil & gas industry.

The initiation of this legacy project has created a buzz across the region. It is an exciting time for Wichita and the regional oil and gas industry, but we need your help to get it done.

We are looking for sponsors to contribute to this one-of-a-kind piece of art depicting the vital labor and dedication of generations of hard-working men and women that made Kansas the significant energy producer it is today.

The mural is bound to be a historic and well-known downtown Wichita landmark, and with your support, you can provide creative input on this masterpiece, ensuring your legacy will be displayed and appreciated by future generations. The location is 230 S. Topeka on the north side of the building. We Sponsorship packages are available with top-tier sponsors invited to collaborate with the artists.

Any level of sponsorship is desperately needed to make this vision a reality. Can we count on you to support this once-in-a-lifetime opportunity that will preserve your own oil and gas legacy?

## Reasons to Sponsor

**Enhance Downtown**  
**Leave a Legacy**

**Promote O&G Industry**  
**O&G Industry Pride**
