Bharasha Garments – Denim Excellence, Crafted with Precision

Registered Address: 116 Gaza Poali, P.S.-Nodakhali, P.O.-Rania Gobindapur, Villpaita, South 24 Parganas, West Bengal – 743318 **GST:** 19DHSPS6477M1ZX

About Us

Bharasha Garments is a leading denim jeans manufacturer, delivering top-quality products under its **trademarked brand, Achiever Shine**. With a robust production infrastructure and a commitment to excellence, we cater to bulk buyers and individual clients, offering premium denim solutions tailored to market demands.

Infrastructure & Production Capabilities

- **Factory Area:** 17,000 sq. ft.
- **Sewing Unit:** Equipped with **190 sewing machines**, including **154 Single Needle Lock Stitch (SNLS) machines**, ensuring a **daily production capacity of 2,500 to 3,000 denim jeans**.
- **Embroidery Unit:** Features **two 12-head computerized embroidery machines** and **one 9-head machine**, allowing intricate denim customization.
- **Denim Washing Plant:** Advanced washing setup with **3 jumbo washing machines, 3 tumbler dryers, 2 hydro extractors, and 1 boiler**, supporting a **washing capacity of 2,500 to 3,000 garments daily**.
- **Diverse Wash Techniques:** Light, medium, and dark enzyme washes, Rinse Wash, **over-dye, tie dye, Optical White, cloud, PP spray, whiskers, grinding, and other dry processes** to achieve various denim finishes.

Design Innovation & Sampling Excellence

At Bharasha Garments, we take pride in our **dedicated sampling section** that enables rapid prototyping and innovative denim designs. Our **in-house washing plant** ensures precise execution of experimental washes and treatments, allowing buyers to customize styles seamlessly while maintaining fabric integrity.

Expert Team & Quality Commitment
