

Parking Policy

Our driveway holds three cars (guaranteed) and one small vehicle may park on front of our cottage (not guaranteed)

However, there is NO PARKING in front of our cottage from Sunday evening until after the garbage and recycling are collected on Monday mornings. Vehicles parked there block the garbage and recycling trucks - there are NO EXCEPTIONS!

At no time should you have more vehicles than described above!

There is no parking in the boat launch beside our cottage

There is no parking on our lawn as we have a holding tank for waste and a cistern for water.

Sincerely,

JASON & LISA HOSSACK

Owners
