Voluntary Withholding Request

(For unemployment compensation and certain Federal Government and other payments.)

➤ Go to www.irs.gov/FormW4V for the latest information.

Note. For withholding on social security benefits, give or send the completed Form W-4V to your local Social Security Administration office.

Line 3. If your address is outside the United States or the U.S. possessions, enter on line 3 the city, province or state, and name of the country. Follow the country’s practice for entering the postal code. Don’t abbreviate the country name.

Line 4. Enter the claim or identification number you use with your payer. For withholding from social security benefits, the claim number is the social security number under which a claim is filed or benefits are paid (for example, 123-45-6789A or 123-45-6789B). The letter or letter-number combination suffix that follows the claim number identifies the type of benefit (for example, a wage earner, a spouse, or a widow(er)). The claim number may or may not be your own social security number. If you are unsure about what number to use, contact the Social Security Administration at 1-800-772-1213 (toll-free). For other government payments, consult your payer for the correct claim or identification number format.

Line 5. If you want federal income tax withheld from your unemployment compensation, check the box on line 5. The payer will withhold 10% from each payment.

Line 6. If you receive any of the payments listed on line 6, check the box to indicate the percentage (7%, 10%, 12%, or 22%) you want withheld from each payment.

Line 7. See How Do I Stop Withholding? below.

Sign this form. Form W-4V is not considered valid unless you sign it.

When Will My Withholding Start?
Ask your payer exactly when income tax withholding will begin. The federal income tax withholding you choose on this form will remain in effect until you change or stop it or the payments stop.

How Do I Change Withholding?
If you are getting a payment other than unemployment compensation and want to change your withholding rate, complete a new Form W-4V. Give the new form to the payer.

How Do I Stop Withholding?
If you want to stop withholding, complete a new Form W-4V. After completing lines 1 through 4, check the box on line 7, and sign and date the form; then give the new form to the payer.
