

PRODUCT LIST

Industrial and Food Grade Chemicals

AR Chemical Group - Product List

Product	Main Applications
Pine Oil	Disinfectants, Paint removers
Silicone Oil	Lubricants, Cosmetics
Acetic Acid USP	Pharmaceuticals, Food industry
Technical Grade Acetic Acid	Textile industry, Chemical synthesis
Benzoic Acid	Food preservative, Plasticizer manufacturing
Technical Grade Citric Acid	Cleaning agents, Industrial descaling
Food Grade Citric Acid	Beverages, Preserved foods
Stearic Acid	Soaps, Rubber processing
Oleic Acid	Metalworking, Emulsifiers
Ethyl Alcohol	Disinfectants, Solvents
Isopropyl Alcohol	Antiseptics, Electronics cleaning
Polyvinyl Alcohol	Adhesives, Textile sizing
Sodium Benzoate	Food preservation, Pharmaceuticals
Pine Tar	Wood preservation, Veterinary treatments
Sodium Carbonate	Glass manufacturing, Water treatment
Calcium Carbonate	Plastics, Construction
Sodium Citrate	Food additive, Buffering agent
Titanium Dioxide	Paints, Sunscreens
Dextrose	Food sweetener, Fermentation
Diammonium Phosphate	Fertilizers, Fire retardants
Acetic Acid Esters	Solvents, Flavorings
Glycerin USP	Pharmaceuticals, Personal care

Product	Main Applications
Xanthan Gum	Food thickener, Oil drilling
Graphite	Lubricants, Oil and gas exploration
Anhydrous Sodium Metasilicate	Detergents, Water treatment
Pentahydrate Sodium Metasilicate	Ceramics, Cleaning agents
Sodium Silicate Liquid	Adhesives, Construction
Sodium Silicate Solid	Refractories, Detergents
Lithium Silicate	Concrete hardening, Coatings
Naphthalene Sulfonate	Concrete additives, Dispersants
Precipitated Silica	Rubber reinforcement, Paints
Sodium Fluoride	Toothpaste, Water fluoridation
Strontium Nitrate	Pyrotechnics, Signal flares
Alkyd Resins	Paints, Varnishes
Fluorspar	Steel manufacturing, Ceramics
Propylene Glycol	Pharmaceuticals, Deicing fluids
Paraffin	Candles, Lubricants
Potassium Sorbate	Food preservation, Cosmetics
Antimony Trioxide	Flame retardants, Ceramics
