## *It's Not About the dEvil*

### True Stories About Fighting Evil in the Modern World

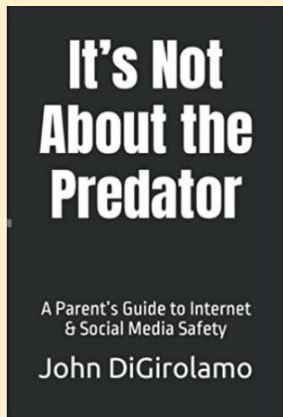

- Abortion doctor transforms into a pro-life advocate.
- The exorcist team confronts diabolic forces.
- A police officer battles online predators.

### Topics for Interview and Guest Speaker Appearances:

- Angels & demons: myths vs. reality.
- The insider's view into an actual exorcism.
- The dangers of occult practices.
- The link between ancient child sacrifices and modern abortion.
- How an abortion doctor returns to Christ and advocates for the unborn.
- How predators approach teens online.
- Teen sexting: How worried should you be?
- A police officer sets up a profile as a 13-year-old girl. Every parent needs to know what happened next.

# John DiGirolamo-Speaking

## *It's Not About the Predator: A Parent's Guide to Internet & Social Media Safety*

- A practical 53-page booklet to help parents keep their kids safe online.
- Includes a bonus chapter about how scammers target the elderly.

### **Topics for Interview and Guest Speaker Appearances:**

- How predators approach teens online.
- Real world examples of how kids & teens get exploited.
- Teen sexting: How worried should you be?
- Practical tips for parents and ways to protect your child.
- A police officer set up a profile as a 13-year-old. Every parent needs to know what happened next.
- How teens circumvent parental controls.
- The cultural influence of pornography and how it feeds sexting, extortion & human trafficking.
- Scams against the elderly and what to look for.

# John DiGirolamo-Speaking

## *It's Not About the Sex*

- Human trafficking cuts across all racial, cultural, and economic boundaries.
- John featured true stories from an advocate, law enforcement officer, survivor and a brothel madam's tale of redemption.
- Also included is a reference guide about grooming signs, red flags and what the average person can do.

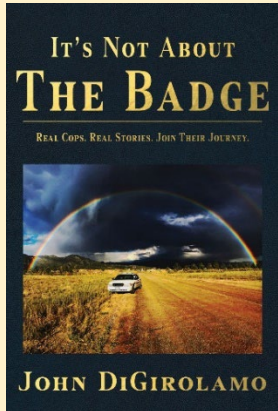

## Topics for Interview and Guest Speaker Appearances:

- How does someone get trapped and why can't they leave?
- Real examples of predator tactics.
- Grooming signs and red flags.
- Persevering in the face of adversity: a survivor's story.
- How does our culture, including pornography make human trafficking worse.
- What can the average person do.

“John's presentation describing the 'mind of the predator' was engaging and very informative. He did a great job of introducing our students to the injustices of human trafficking that may be occurring nearly in plain sight.”—**Professor Mark Tremaine, Sterling College**
