

**As a result of COVID-19, the BSF has produced this Risk Assessment to help our Clubs comply with the Government Guidelines. It is important to understand that these measures are taken in a bid to minimise the risk of COVID-19 being passed between participants whilst Training. The BSF and our Clubs will do their utmost to provide a safe environment but take no responsibility for members who contract COVID-19, however contracted.**

**The responsibility for a safe training environment is a shared between the Instructor and the members. Members must make their own risk assessment as to where, when or whether they will train. Members have the responsibility to NOT train or attend the venue if they have any symptoms that may be in anyway related to COVID-19.**
