Introduction

The introduction of this Child Protection Policy should be seen as a clear signal by Winnersh Rangers Football Club that it is determined to ensure all necessary steps are taken to protect from harm, those children associated with the Football Club.

The policy establishes the Football Club's position, role and responsibilities and together with the Procedures Handbook, clarifies what is expected of every volunteer who serves the Winnersh Rangers Football Club.

It very clearly highlights the importance placed by the Football Club on the protection of children.

Every child who plays football for the club should be able to participate in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every volunteer who serves the club. We recognise, however, that child abuse is also a very emotive and difficult subject. It is important to understand the feelings involved but not to allow them to interfere with our judgement about any action to be taken. Winnersh Rangers Football Club recognises its responsibility to safeguard the welfare of all children associated with the club by protecting them from physical, sexual or emotional harm and from neglect or bullying.

The Winnersh Rangers Football Club is determined to meet its obligation and to ensure that all members are aware of the club's Child Protection Policy, practices and procedures. This will ensure that everyone knows exactly what is expected of them in relation to the protection of children associated with the Football Club.

Objectives

The Winnersh Rangers Football Club Child Protection Policy objectives are;

- To develop a positive and pro-active position in order to best protect all children associated with the club enabling them to participate in an enjoyable and safe environment.
- To deliver quality assured child protection training for all volunteers in conjunction with The Football Association and the NSPCC.
- To demonstrate best practice in the area of child protection.
- To ensure that all Volunteers that come in contact with children or young people associated with the club are CRB checked and cleared.

Key Principles

- The child's welfare is, and must always be, the paramount consideration.
- All children have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, religious beliefs or sexual identity.
- All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.
- Working in partnership with the children and their parents/carers is essential. Social Services Departments have a statutory responsibility to ensure the welfare of children and young people. The Winnersh Rangers Football Club is committed to working together with Social Services Departments and local Area Child Protection Committees (ACPC) in accordance with their procedures.
