

A black and white photograph of two large, light-colored, ribbed planters filled with a variety of plants. The planters are placed on a paved surface. The plants include tall, feathery grasses, dense, rounded shrubs, and trailing vines. A white vertical pipe is visible on the right side of the planters.

Life springs forth from a container...

C-604 Planter leg available for use with any of the rectangular planter boxes

A black and white photograph of a rectangular stone casket. The casket has a simple, slightly raised rim. A decorative band is carved into the front face, featuring a repeating pattern of stylized, symmetrical foliate or shell-like motifs. The stone appears to be a light-colored, possibly marble or limestone, with some visible texture and wear. The casket is shown from a slightly elevated perspective, highlighting its three-dimensional form.

A rectangular stone planter with a fluted, ribbed design. The planter has a wide, flat rim and a body decorated with vertical, rounded ribs. It is shown from a side-on perspective, highlighting its three-dimensional form.

A large, light-colored, fluted urn with a wide rim. The front features a central relief of a lion's head with a mane, flanked by draped fabric or ribbon. The urn has a slightly tapered body and a flared base.

A large, light-colored, classical-style urn with a wide rim and a central relief of a lion's head. The urn has a flared body and a decorative band around the middle. The lion's head is the central focus, flanked by draped fabric. The urn sits on a small, flared base.

A black and white photograph of a cylindrical, textured object, possibly a ceramic or stone vessel. The object features a complex, woven or braided pattern on its main body, with horizontal and vertical ridges creating a grid-like appearance. The top and bottom edges are finished with a thick, twisted rope-like band. The surface shows signs of wear and discoloration.

A square stone container, possibly a well or a large vase, featuring a prominent relief of a lion's head on its front face. The container has a thick, rounded rim and a base. The stone appears to be a light-colored, possibly marble or limestone, with some weathering. The lion's head is carved in a classic style, with a detailed mane and a calm expression. The container is set against a dark, neutral background.

C4

A large, light-colored, cylindrical ceramic urn with a decorative band of draped fabric and tassels around its rim. The urn has a wide, flared opening at the top and a slightly tapered body. The decorative band features three prominent tassels or rosettes. The surface appears to be made of a textured material like terracotta or stone.

A black and white photograph of a white, oval-shaped ceramic box. The box has a wide, flat rim and a slightly flared base. A prominent relief decoration is visible on the front, depicting a draped garland or ribbon with a central knot or tassel. The surface of the ceramic appears slightly textured or aged. The box is set against a dark, neutral background.

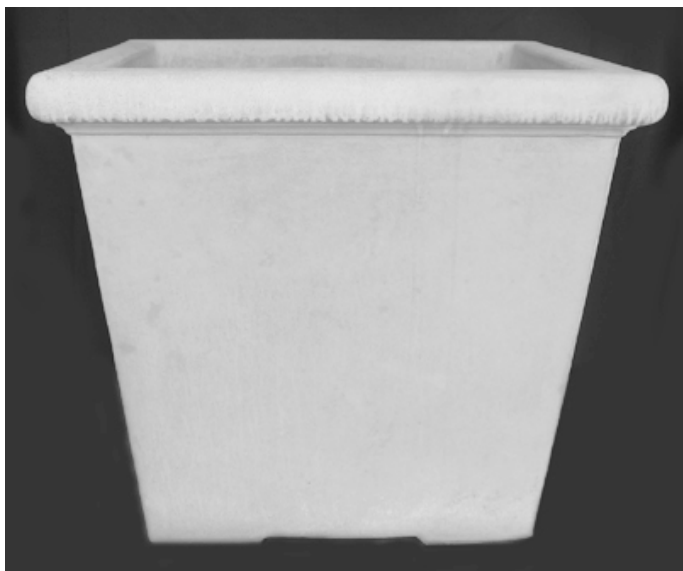

A rectangular stone trough with a relief of a grapevine and clusters of grapes. The trough is made of a light-colored stone and features a continuous band of relief carving around its front face. The carving depicts a grapevine with several clusters of grapes and large, stylized leaves. The trough has a slightly raised rim and a flat base.

C5

A white ceramic mortar and pestle. The mortar is a wide, shallow bowl with a decorative floral relief on its front. The pestle is a long, tapered rod with a rounded end, resting inside the mortar.

A black and white photograph of a large, light-colored ceramic urn. The urn has a wide, flared rim and a slightly tapered body. It features a decorative band around the middle with a relief of a grapevine and clusters of grapes. Two small, looped handles are attached to the sides.

C-382 Square Contempo 19"W x 16"H **Price:** \$125.00

C-304 Rope 25"W x 18"H **Price:** \$155.00

A black and white photograph of a white ceramic jar. The jar has a wide, slightly flared rim and a short, squat body. The entire surface of the jar is covered in a raised, repeating pattern of interlocking rings, similar to a chain-link fence. The lighting is even, highlighting the texture of the ceramic and the three-dimensional quality of the pattern. The background is a neutral, light gray.

C-1159 Celtic 18" x 15"H **Price:** \$70.00

A large, ornate stone urn, likely a Roman or Greek artifact. It features a wide rim decorated with a Greek key (meander) pattern. A central handle is attached to the rim. The body of the urn is decorated with relief carvings of grapevines and clusters of grapes. The base is a wide, flared foot with radiating lines.

A black and white photograph of a white, fluted classical urn. The urn has a wide, flat rim, a body with vertical fluting, and a pedestal base with a fluted stem and a tiered foot.

A black and white photograph of a white ceramic vase. The vase has a wide, flared body with a rim that is deeply scalloped or fluted, resembling the petals of a flower. The body is decorated with vertical lines that divide it into segments. It sits on a short, square pedestal base. The overall style is clean and modern.

C13

A white marble vase with a relief of a winged figure and a reclining figure. The vase has a wide rim with a scalloped edge, a body decorated with a relief of a winged figure and a reclining figure, a fluted neck, and a square base.

A black and white photograph of a classical-style urn. The urn has a wide, flared rim with a decorative, possibly carved, pattern. The body is decorated with vertical fluting. Below the main body is a smaller, fluted section, and at the base is a square, fluted pedestal. The urn is set against a dark, textured background.

A white, fluted classical urn with a pedestal base, set against a dark background. The urn features a wide rim, a body with vertical fluting, a fluted neck, and a square base.

A white, fluted classical urn with a square base and a decorative rim, set against a black background. The urn features a wide, flared rim with a scalloped edge, a body with vertical fluting, a small decorative band near the base, and a square pedestal base with fluted sides.

C15

A black and white photograph of a large, ornate white marble urn. The urn features a wide, flared rim, a body decorated with a band of carved acanthus leaves, and a base consisting of a fluted pedestal and a square plinth.

A black and white photograph of a ceramic vessel, possibly a bowl or a small pot, featuring a decorative band of carved flowers and a handle. The vessel is shown from a side profile, highlighting the intricate carvings of the floral motif. The handle is visible on the left side, and the rim of the vessel is slightly flared. The background is a plain, light-colored surface.

A white ceramic flower pot with a flared rim and a palm tree design embossed on its side. The pot is shown against a dark background.

A black and white photograph of a classical marble vase. The vase features a flared rim with a twisted rope-like pattern. The body is decorated with a complex, interlaced geometric pattern of raised bands. The base is a simple, slightly flared foot.

C-393 Wave 13"W x 11"H **Price:** \$45.00

A white ceramic sculpture of a vintage pickup truck, shown in profile against a black background. The truck has a large bed, a spare tire mounted on the side, and a classic design with rounded fenders and a prominent front grille.

A white ceramic flower pot with a fluted rim and a decorative base. The pot has a wide, flared shape with a textured, scale-like pattern on the body. The base is ornate with a central horizontal band and curved, scroll-like details on the sides.

A black and white photograph of a terracotta sculpture. It depicts a young girl with a surprised or curious expression, looking upwards and to the right. She is wearing a bonnet with a veil. She is holding a large, shallow bowl with both hands. The bowl has three prominent knobs or lugs along its rim. The girl is standing on a simple, rounded, circular base. The background is dark and textured, possibly a draped cloth. The lighting is dramatic, highlighting the contours of the girl's face and the bowl.

A black and white photograph of a stone sculpture of a young girl holding a large basket, standing on a circular base. The girl has short, curly hair and is wearing a dress with a bow at the waist. The basket is large and rectangular with a textured surface. The sculpture is set against a dark, textured background.

A black and white photograph of a stone statue of an angel. The angel has large, feathered wings, curly hair, and is wearing a long, flowing robe with a decorative collar. The statue is set against a dark, textured background.
