After School Adventure Options:

Monday: Mini Masterpieces

Teachers: Sherry Rohner/Sarah Diaz

Mini masterpieces is an art program designed to encourage creativity by utilizing fun, kid-friendly arts and crafts while enhancing motor skill development, sensory exploration and problem solving skills. Let your child's imagination come to life as we explore, create and learn through art!

Tuesday: Intro to Sports

Teachers: Shannon Carosone/Jill Billard

Love of exercise begins at an early age. Get your child moving and interested in a variety of physical activity with this intro to sports. They will explore the basics of a wide array of team and individual sports while learning how to move their body and work well with others.

Wednesday: DIY

Teacher: Deborah Costa/Liz Kelly

Enhancing children's hand/eye coordination and building levels of manual dexterity. Working with materials teaches them about colors, shapes, and textures. How things work and how they fit together. Crafting encourages children to play and experiment in a fun and relaxed environment.

Thursday: STEM

Teacher: Mikayla Rohner/Seth Davis

Your child's imagination will soar as they explore various books and concepts in coordination with fun and exciting science experiments. STEM is designed to educate students in the subjects of Science, Technology, Engineering, and Mathematics.
