

Hello!

This is my second year at Gate City and I am so excited to embark on another year of fun, learning, community and caring about one another. Our classroom is a family who cares about each other and treats one another with respect and kindness so we all feel like we belong and are accepted and loved. We each have a special place and role in our classroom community.

My home hasn't changed very much since last year. I still have a small zoo - 4 cats, a dog, 2 snakes, a bunny and cute little fish. Mr. Simoneau is always very supportive and helps myself, our classroom and the school. Our 4 children are grown now but never let us forget how much they love us. We are all very excited that I'll be starting another year doing something I dearly love - teaching - at a place I love working.

Love, Mrs. Simoneau
