

Dear Gate City Parents and Students,

My name is Ms. Juliana and I will be the new Art Teacher at Gate City Charter School for the Arts beginning in September 2024! I am a graduate of Montserrat College of Art in Beverly with a BFA degree focusing on Art Education, Interdisciplinary Art, and Entrepreneurship in the Arts. I am very excited to be joining this very special school community! I look forward to getting to know you and your children and watching them learn and grow in their arts practice!

This is going to be a fun and productive year! We will be studying various artists, mediums, and art periods. I also have a passion for integrating interdisciplinary approaches and outdoor learning within the arts curriculum. I will be teaching the students about some of my favorite nature artists, such as Andy Goldsworthy and Georgia O'Keeffe, as well as many other cool artists that I know the students will love. My goal this year is to create a safe space to enable your children to find their own creative expression in the classroom, as well as to help them become lifelong learners and explorers. If you have any further questions or concerns, please feel free to email me at harrerj@gccs-nh.org.

I hope you have a fun and relaxing summer and I very much look forward to meeting you and your children in August before the first day of school!

Sincerely,
Ms. Juliana
