ABOUT ME!

My husband Scott and I live in Nashua, NH. We have 2 children, Alecxia and Nicholas. Alecxia lives and works in Boston and Nick is here in Nashua! We have 2 dogs, Sara & Loki and 2 cats, Nala & Finn. We also have Nick's cats, Fae & River living with us.

I received my BA in Criminology from the University of Southern Maine. Although I loved working to help others, I didn't find my passion until after my children were in school and I attained my Master's in Elementary Education from Rivier College. I have taught at Gate City for the past 7 years.
