

meet the TEACHER

Mrs. Nicole Riddell

Welcome to 3rd Grade!

I am so excited to have you in my class! 2023-24 is going to be an awesome school year!

3rd grade is such a fun year with so many fantastic opportunities to learn and grow! I can't wait to share it with you!

My most important goal is to create a classroom community where everyone feels ready to take chances, try new things and create a family of learners! We will learn and grow together through our shared experiences!

I can't wait to begin our year together!

About Me

My husband Scott and I live in Nashua, NH. We have 2 children, Alecxia and Nicholas. Alecxia lives and works in Boston and Nicholas is our Wellness teacher! We have 2 dogs, Sara and Loki and a cat, Nala. We also have Nick's cat Fae living with us.

I received my BA in Criminology from the University of Southern Maine. Although I loved working to help others, I didn't find my passion until after my children were in school and I attained my Master's in Elementary Education from Rivier College. I have taught at Gate City for the past 5 years.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
