

Mrs. Fogg

Welcome to Kindergarten!

I am looking forward to helping your child learn and grow this upcoming school year! It is my goal to foster the same love of learning that I have in each and every one of my students. Some of the things we will be doing this year include, project based learning, incorporating your children's interests whenever possible, and of course, arts integration. I believe students learn best when they can let their creativity shine! Please join us for our Kindergarten meet and greet party at the school on Thursday, August 24th from 10:00-11:30am! Families will get the chance to meet teachers and classmates, see the classroom before the first day of school, and take part in games and story time!

About Me: This will be my second year as a classroom teacher! Last year I taught Fourth and Fifth Grade Math and Science, and before that I was the Educational Assistant in third grade for three years. I have my Associate's degree in Early Childhood Education from Nashua Community College and I am certified in early childhood. I am currently pursuing my Bachelor's degree in Elementary Education with certification from Colorado Christian University. Previously, I taught dance classes and performed professionally in the Boston area. I love to travel and have been to Costa Rica, London, Argentina, and Puerto Rico! (Yes, I speak Spanish!) I am married with two adorable, mischievous cats!
